Will Caress Be With Ford?Von Ingrid Stephanie JordanTitle: Promiscuous WolfBlack Hills Wolves SeriesAuthor: Mahalia LeveyReviewed: Stephanie JordanMahalia Levey is another new author for meto read. I have to say she got me right into the box. From the beginning I was hooked, it lag several times but all in all to story was HOT..Caress Galveston

and her twin brothers, Ravage and Raze lived in Colorado with human. Very seldom did they run as Wolves but that was 6 months ago. Ravage wanted Caress to learn about Pack life so they moved to the Black Hills, Los Lobos with Drew as their Alpha. Caress belonged to a fight Club in college and her brothers drilled into her how to fight so she could defend herself. One night two guys who wanted some action followed and rained her SUV sending Caress and Myanna (Caress BFF) in a tail spin, causing the SUV to shut down forever. Calling for help Caress knew only she could defend them. When Myanna screamed out Caress noticed the second man cut her from her mouth to her ear. That was it for Caress leaping onto the man Caress's wolf torn him to bites. And then she did the same to the other man just when help arrived. She was protective of Myanna, Caress's wolf wouldn't let anybody near. But when she changed she was devastated. On top of that, Ford Giovanni was one of the Wolves to come help, she just couldn't face him. He had every woman for miles, could get and had his pick. But he was older than Caress, 9 years older and also Caress's Mate. I was gifted this ARC for an honest and truthful review. Kurzbeschreibung Caress Galveston has her work cut out for her. The one man she wants above all others is playing hard to get. He admits they're mates, yet he won't take the step to make her his. If only he could see past all the women chasing him, he might decide their nine year age difference doesn't matter and she is worth the leap. Ford Giovanni is a changed man. The moment he set eyes on the most headstrong wolf he ever met, no other woman would do. But with his past lovers still trailing after him, the problem will be convincing her of his faithfulness. And he won't mark her as his until he does. Kurzbeschreibung Caress Galveston has her work cut out for her. The one man she wants above all others is playing hard to get.
