story Von Hoener, Birgit A heartwarming story about an Iraq veteran helping the widow of his friend who died in Iraq build a BB. On the whole, a highly recommendable read with an interesting plot, great characters and a good narration style. The story had just the right length, the author described Nick's trauma and the way he reacted very well, characters and dialogues felt genuine (sort of like: yeah, I know someone like that!) and there was a good sense of humour throughout the whole book. The only thing I personally was not really happy about was the ending: all those changes of heart and mind came a bit abruptly for my taste - after so many chapters of problems, misunderstanding, meanness, everyone and everything just changed within the last chapter. That was the only real issue I had with this book though. Author and editor did a good job on spelling and grammar gremlins as well. So - all in all, I would highly recommend reading this, and will look for more in this series.

Kurzbeschreibung Sometimes, a promise kept can change your life. Alone and desperate in backwater Pelican Pointe, she faces an uphill battle against a judgmental and hostile town as she tries to rebuild her life. But when a mysterious and handsome stranger with a tragic secret appears, her fragile new world threatens to come crashing down around her. A heartbreaking story of love and romance, Promise Cove will hold you breathless until the very last page. Kurzbeschreibung Sometimes, a promise kept can change your life.
