to write a second one.

Kurzbeschreibung Blake Bentley had a rough upbringing, never fully believing he was good enough for anything or anyone. After being left with a broken heart by his only girlfriend, Blake swore off relationships for good and turned to the only two things that made him feel sufficient - sex and firefighting. Tessa Collins was brought up in the traditional 'perfect' family - loving parents, great sister, and amazing friends. After falling in love with Jared, her life was perfect - until he betrayed her. She has no idea that his betrayal could end up costing her more than just a shattered heart. Blake and Tessa have been friends since high school. Never wanting to admit their attraction for each other, the two always remained close friends. Now, three years later, Blake and Tessa find themselves being pulled together by a force much greater than friendship. Blake and Tessa have promised to be friends forever, but as fate pulls them together, they embark on a roller coaster ride of a lifetime. Will his self doubt and her insecurities keep them apart? Or will they be able to promise each other always? \*\*content is for +18yrs.\*\*

ber den Autor und weitere Mitwirkende I am a wife, mother of 2 amazing kiddos, photographer, graphic designer and cover designer, as well as an avid reader and blogger! I have been married since 2004 to the most amazing man ever and together we have two amazing children. I was born in Aurora, CO and still reside there today with my amazing family. I couldn't imagine living anywhere else in the world. I have become accustomed to bi-polar weather living here and I absolutely love getting all four seasons (although winters could be a bit shorter.) I have a small obsession with Starbucks and gummy bears! They make the perfect writing snack! Wine helps a lot too especially with the late night writing sessions. I love the summer and everything that goes along with it, camping, swimming, boating, hiking, etc. I love to travel and Disneyland is one of my family's favorite places to visit together. I have a dream of visiting so many places in the world such as Italy, Greece, Australia, Fiji, Bora Bora and New Zealand (just to name a few.) I have met so many amazing people in this journey so far and I cannot wait to see what the future holds.
