Von Candace Camp : Promise Me Tomorrow (Mills Boon MB) before purchasing it in order to gage whether or not it would be worth my time, and all praised Promise Me Tomorrow (Mills Boon MB):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. EntertainingVon Ein KundeMarianne Cotterwood loathes the aristocracy because of their arrogant way they look down at the masses. Having grown up at an orphan factory, she knows first hand what the pats on the head with the haughty look means. To assist the elite with their alms to the poor, Marianne steals their valueables.Marianne's occupation is interrupted when Lord Justin Lambeth discovers her trying to rob Lord Batterslee. Instead of turning her in, Justin offers her an opportunity to become his mistress. Outraged by his conceit, Marianne vows to destroy her "benefactor." As the duo plays a game of cat and mouse, they fall in love. However, she is from the wrong side of the tracks (or is she) and neither one trusts the other.PROMISE ME TOMORROW is an entertaining historical romance

that will thrill readers with its battle of the sexes theme. The story line is a lighthearted romp that focuses on the chess match between Justin and Marianne although the tale contains a serious subplot involving the relationship between the wealthy and the poor. The two lead characters are charming and intrepid while the secondary cast provides depth to their war. Candace Camp has written an amusing tale that will please her myriad of fans. Harriet Klausner

Kurzbeschreibung Lord Lambeth is uncharacteristically captivated by Marianne Cotterwood, even though she's off-limits and keeping secrets. Determined to unravel her mystery, he keeps close watch. Alone in the world, Marianne wishes she could remember her life before the orphanage. The only "family" she has is a warmly eccentric bunch of pickpockets and thieves. Marianne's inborn grace makes her a natural at mingling among the wealthy while looking for valuables, but then Lord Lambeth catches her in the act. Yet someone else is interested in Marianne's secrets, as well. A dangerous shadow from her past is closing in, and Lord Lambeth is the only man she can turn to. Pressestimmen "Oddball characters and misadventures are plentiful in this delightful romp, making it one of Camp's best".-- Publishers Weekly on Indiscreet Kurzbeschreibung Lord Lambeth is uncharacteristically captivated by Marianne Cotterwood, even though she's off-limits and keeping secrets. Determined to unravel her mystery, he keeps close watch. Alone in the world, Marianne wishes she could remember her life before the orphanage.
