Von Lori Wick : Promise Me Tomorrow (Rocky Mountain Memories) before purchasing it in order to gage whether or not it would be worth my time, and all praised Promise Me Tomorrow (Rocky Mountain Memories):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A great conclusion to a great series!Von PNurse2B@aol.comI had been waiting for this book to come out for quite some time, and when it finally came out, I read it in almost one sitting. I really enjoyed the generation aspect of the book. I always

want to know what happens to the characters in the future, so this is a great way to see what is happening to all the characters of the last three books, nineteen years later. I like Lori Wick's style of writing and always look forward to the next book that comes out.

Von Kathy I've read several of Wick's novels, and although I enjoyed the subplot of Rusty's growing relationship with Quintin, I thought the romance storyline was flat and unemotional. Chase was too stiff and aloof, and it was unbelievable that a woman with Rusty's personality would fall in love with him. I truly enjoy reading Wick's books; so far I think Sean Donovan is the best. I'm working on reading all of her novels.

Von Renee Grosch What an awesome book for the Rocky Mountain series. This book will captivate your heart as it did mine. The whole series is a "must-read" series. It starts off good and only ends in better. Lori Wick has such a gift with words that you have to read it for yourself to find that out. Enjoy her books. I highly commend the author for her amazing writing talent.

Kurzbeschreibung Katherine Taggart nicknamed Rusty for her curly red hair shines like a ray of sunshine at her aunt and uncle's orphanage. Unaccustomed to traveling alone in the pioneer West, Rusty is accompanied on her first orphanage placement trip by the kind but reserved widower Chase McCandles. When Chase offers Rusty a position in his stately home as a companion for his young son, Quintin, Rusty accepts. But when she realized how little time Chase spends with Quintin, Rusty's heart is torn. How can she convince Chase that his son desperately needs a father? And can Chase learn to trust God to help him demonstrate his love and affection for Quintin and for Rusty? A heartwarming story of love, trust, and family.

From Library Journal Katherine Taggart, known as Rusty because of her red hair, adores children and is able to indulge her love for them by working in her family's orphanage. When she accompanies two orphans to their new home, Rusty meets wealthy Chase McCandles and soon finds herself falling in love with him. On the surface, Chase, a believer in God, appears to be everything a devout Christian would want. However, Rusty discovers that Chase treats his own son Quintin with great distance, and she is reluctant to pursue a relationship with a man who doesn't share her devotion to children. Wick (*Whispers of Moonlight*, Harvest House, 1996) does a fine job of re-creating life in turn-of-the-century Colorado. Chase is especially well written, which allows him to become more than the usual one-dimensional romantic lead. Highly recommended.
