made me feel like I was Mary. I have read this book 4 times, and all 4 times it just seemed like the first time I read it. At first, I was a little upset because of Mary's insistence on not telling Stephan who she was. But then, I just put myself in Mary's shoes and suffered with her, cried and felt joy when she did. The love between them just captivated my heart. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Good...But not as good as the first Von Ein Kunde I liked this book but had a hard time with it. I found myself getting totally flustered everytime I picked it up. Stephen treated Mary like crap through the whole entire book. He was still willing himself to hate her until the very last chapter. She devoted herself to him and he walked on her like a doormat and used her like a slut. This book was a sequel to "The Conqueror", which I found to be 10 times the better book. I give that one a "10". All in all, Promise of the Rose was worth it to read once. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Promise Of The Rose was a beautiful story of love conquers!!
