Von J.D. Robb : Promises in Death (In Death, Book 28) before purchasing it in order to gage whether or not it would be worth my time, and all praised Promises in Death (In Death, Book 28):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. One of the best so farVon Katzenjammer123"Promises in Death", book 29 in the in death - series is one of the best so far. It's

really intense, sad but also hilarious and just great. The story begins with the murder of Detective Coltraine who was in a intimate relationship with Morris. Not only Eve but every other cop in New York is on the hunt for the killer who took the life of one of them. But especially Eve and her unit are doing everything to solve this case as fast as possible. When the victim is linked with Alex Ricker, son of Max Ricker, it seems clear that he has to be the number one suspect in the murder. But Eve soon realizes that while Alex Ricker may be a criminal he is no murderer. On the contrary he is just another victim in a game of revenge and power. When a second person close to Alex Ricker is killed Eve discovers that the killer may be no Mr X but somebody she already knows and whom Detective Coltraine trusted. "Promises in Death" is so far one of my favourites in the series. Some parts of the book are hard to read because they are so sad but they are still great because you see a new side of Eve. She is not only a brilliant cop but also manages to be a very good friend to Morris and I have to say that I love this side of her. Roarke and Eve rock as usual and I think that you can see that their relationship is getting better and better. There are also two hilarious scenes in this book involving Eve. One is Eve and Roarke buying some underwear (I had to laugh out loud when reading this) and one is Eve and a bunch of naked, drunken women who are no strangers to her. These two scenes show yet another side of Eve and make it clear that she appreciates her friendships and realizes that they are important to balance out what she goes through in her job. You learn a lot about Morris in this book and thank god he is not leaving New York after this tragedy, so I hope to see more of him and maybe Alex Ricker in the future. So all in all I think that "Promises in Death" is brilliant and a fantastic new addition to the series. Thanks Nora Roberts for this great book.

Von Bettina Das neuste Buch in der futuristischen "In Death" Serie um Lieutenant Eve Dallas hat den Mord an einer Polizistin zum Thema, die zudem mit Morris, einem Kollegen und engen Freund von Eve, liiert war. Die Spur führt zu Alex Ricker, dem Sohn des Unterweltbosses den Eve in einem der früheren Bände hinter Gitter gebracht hatte. Ein weiterer Mord zeigt jedoch, dass in dem Familiennetz des Ricker-Clans noch weitere Spinnen sitzen. Die Stärke dieser Serie ist neben den spannungsvollen Kriminalplots vor allem die lebendige Ausarbeitung der einzelnen Charaktere, neben Eve und ihrem milliardenschweren Ehemann Roarke die Kollegen und Freunde der beiden. In diesem Band ist jedoch der Grundtenor etwas zu gedämpft und pietätvoll, statt Witz und Sarkasmus viele rührselige Szenen über die Vergänglichkeit des menschlichen Lebens und Liebesglücks. Kein schlechtes Buch und in seiner Art immer noch gute Unterhaltung, aber im Vergleich zu manchen früheren Bänden zu geradlinig und wenig spannungsvoll.

Von Jananana Band 29 - ich kann es kaum glauben, aber es sind wirklich schon so viele Geschichten um Lt. Dallas, Roarke und Peabody gewesen. Diesmal geht es um eine ermordete Polizistin, die ausgerechnet mit dem Sohn eines Schwerverbrechers ein Techtelmechtel gehabt hatte. Da sie danach die Liebe ihres Lebens in einem anderen Polizisten gefunden hatte, stellt sich die Frage, wer ihr nach dem Leben trachtete. Ein gut zu lesendes Buch, das leider manchmal etwas langweilig ist, wenn ausführlich Informationen weitergegeben werden, die Seiten vorher schon ausgiebig besprochen wurden... Nicht ganz so spannend wie die anderen Bände. Man merkt, dass langsam Routine in die Serie gekommen ist, und das tut dem Buch nicht gut.

Kurzbeschreibung #1 New York Times bestselling author J. D. Robb takes us to the New York City of 2060, where Lieutenant Eve Dallas faces down a cop killer...Amaryllis Coltraine may have recently transferred to the New York City police force from Atlanta, but she's been a cop long enough to know how to defend herself against an assailant. When she's taken down just steps away from her apartment, killed with her own weapon, for Eve the victim isn't just one of us. Eve starts questioning everyone while her husband, Roarke, digs into computer data on the dead woman's life back in Atlanta. To their shock, they discover a connection between this case and their own painful, shadowy pasts. The truth will need to be uncovered one layer at a time, starting with the box that arrives at Cop Central addressed to Eve, containing Coltraine's guns, badge, and a note from her killer: You can have them back. Maybe someday soon, I'll be sending yours to somebody else. But Eve Dallas doesn't take too kindly to personal threats, and she is going to break this case, whatever it takes. And that's a promise.

From the Paperback edition.

Pressestimmen The characters are compelling, the plot suspenseful and the sci-fi twist is an added dimension. Fort Worth Star-Telegram Pressestimmen 'I hope Ms Roberts continues to write new stories for this pair for a long time to come ... Long live Eve and Roarke!' Bella 'A chills-to-thrills ratio that will raise the neck hairs.' Dennis Lehane 'Curious corpses, tangled twists, and one sizzling sleuth ... Salvation in Death is a triple-whammy winner.' Kathy Reichs
