Von W.P. Kimball : [Prompt Me] (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised [Prompt Me] (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I love itVon Saad Ashar JaleesThe creativity. Been a fan of the author's works even since I started browsing /r/WritingPrompts. It's amazing. I love every chapter and the length of the stories is perfect. Enjoyed each of them immensely.Definitely look forward to the next release.

KurzbeschreibungA collection of flash fiction and short stories inspired by Reddit's WritingPrompts subreddit. Genres range between sci-fi, fantasy, romance, humor, and everything in between!KurzbeschreibungA collection of flash fiction and short stories inspired by Reddit's WritingPrompts subreddit.
