AwesomeVon Latasha WorrellThis booking was A-M-A-Z-I-N-G!!! I loved every second. Every time I had to put my iPad down I couldn't wait to read it again. It was funny, had suspends, a hero, a heroine, good friends and family and

of course don't forget the crazy serial killer. I would definitely recommend this book to my friends. It was one of the books so far for 2015. I read all the books by C.P. Smith and two far his is my favorite.

KurzbeschreibungWARNING: Author believes in soul mates and insta-love, proceed with caution if you're not a romantic at heart. Life imitates art far more than art imitates Life. Oscar WildeAuthor Nicola Royse dreamed of Scottish Highlanders as a teen then wrote about them as an adult. Always looking but never finding her own White Knight, she still held out hope that he would one day ride up on his trusty steed. He rode up all right, on a silver Harley with heat in his eyes and a detective's badge on his hip while she and her friends plotted her first contemporary romantic suspense. Of course, life couldn't imitate art without a killer on the loose, one that had Nicola and her friends in his sights. Detective Dallas Vaughn dedicated his life to catching killers. Then one day he bumped into the girl-next-door, and all that changed. Now he's her White Knight fighting against a Dark Princeone who would love to see her dead. Rated R for language, violence, and sexual content. KurzbeschreibungWARNING: Author believes in soul mates and insta-love, proceed with caution if you're not a romantic at heart.
