KtscherI read Prophecy of the Heir, which is the first book in a series by JC Lamont, and I couldn't put it down! The narrative is captivating and follows the structure of the Old Testament from an angelic

perspective. If you think that angels are boring things that sit on clouds and play harps, this book will change your view! Epic battles to preserve the lineage of the Heir between angels and demons, a main character who is funny at times and loses his temper at others, resulting in some "interesting deaths" and quite literally the battle for the universe make this book great for people who love fantasy. This book can truly change a person's view on the Old Testament while being incredibly exciting and epic! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great book!!! Highly recommendable. Von A. Teb Biblically accurate, historically thorough, beautifully written, spiritually rich, awesome fantasy, imaginatively epic etc. Simply put, this is the best book that takes the themes of the Bible and, in an imaginative and beautiful way, presents them in the fantasy genre with such accuracy and precision like never before. May all Christians on the face of the earth who love this genre or would want to enjoy the themes of the Bible fleshed out in an epic way, please get their hands on this book and read it. Thanks JC Lamont for this classic novel.

Kurzbeschreibung Where the Dead Breathe and the Immortal Die PROPHECY OF THE HEIR -- The Chronicles of Time Volume I: Books One and Two. In a world steeped in bloodlust, the avenging archangel Michael is sent to protect a sacred lineage hunted by the dark lord, Hashatan. Haunted by visions of a bleeding tree growing atop a blackened skull, Michael kills priests and kings in an attempt to ensure the birth of the prophesied Heir. But will he go too far? A 7-book series released in 3 volumes, The Chronicles of Time is a fantasy-inspired Christian mythos that plunges the reader into the supernatural world of Michael the archangel. A behind-the-scenes take on the angelic and demonic powers that move history, this epic series follows Michael, the commander of the Malakim, as he battles against Hashatan, the dark lord who seeks to usurp King Elyons throne and take rule of Shamayim. History and fantasy collide as the ultimate struggle between good and evil rages on in a war that spans millennia. Ex-goth turned apologist, JC left home at 17 convinced by her father (a pastor) that God couldn't look at her, let alone hear her prayers. Needless to say, she didn't bother reading the Bible, until one day she accidentally discovered the God of love in the pages of the Old Testament. Hoping to reach others who had been turned off by Christianity, she spent 10 years researching and writing Prophecy of the Heir a fantasy-inspired version of the Bible that reflects how she now sees it: a suspenseful, action-packed, battle-ridden love story.
