Von Marcus Garvey : Selected Writings and Speeches of Marcus Garvey (Dover Thrift Editions) before purchasing it in order to gage whether or not it would be worth my time, and all praised Selected Writings and Speeches of Marcus Garvey (Dover Thrift Editions):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
GreatVon John T CA great and fascinating read from a mind that was not only brilliant, but visionary as well, a mind dedicated to a better destiny for a people who were suffering and oppressed not only where they had been whisked off to, but even in their motherland where they were being exploited. It is a vision seen in Josef Nana Njike in the book "Disciples of Fortune". The amazing thing is that Marcus Garvey articulated it so well. His is a rallying work for blacks of all works of life and in all places. And in a way, it is a rally call for humanity.2 von 3 Kunden fanden die folgende Rezension hilfreich. amazingVon magiconeIch habe das Buch selected Writings and Speeches of Marcus Garvey gelesen und fand es richtig interesant, ich wusste nicht, dass Leute wie Marcus gelebt haben die fr die Restoration und Freiheit der "Menschheit" gekaempft haben. Ich finde jeder Schwarzer oder Weier der an die Freiheit glaubt, sollte sich das Buch mal angucken. Villt kann man ein oder zwei sachen lernen. Und versuchen das Beste aus'm leben zu machen. Wie ihr wisst das Leben ist zu kuez um anderen zu unterdruecken, deshalb sollte man die schwaescheren einen Chance geben. Das Buch ist wie gesagt einfach "Amazing". Na ja viel gelabe kuezzen Sinn. Viel spa beim lesen und genieen Sie es.

KurzbeschreibungOne of the most important and controversial figures in the history of race relations in America and the world at large, Marcus Garvey was the first great black orator of the twentieth century. The Jamaican-born African-American rights advocated dismayed his enemies as much as he dazzled his admirers. Of him, Martin Luther King, Jr., said, He was the first man, on a mass scale and level, to give millions of Negroes a sense of dignity and destiny, and make the Negro feel that he was somebody.A printer and newspaper editor in his youth, Garvey furthered his education in England and eventually traveled to the United States, where he impressed thousands with his speeches and millions more through his newspaper articles. His message of black pride resonated in all his efforts. This anthology contains some of his most noted writings, among them The Negro's Greatest Enemy, "Declaration of the Rights of the Negro Peoples of the World," and "Africa for the Africans," as well as powerful speeches on unemployment, leadership, and emancipation.Essential reading for students of African-American history, this volume will also serve as a useful reference for anyone interested in the history of the civil rights movement.
