SENSUAL SECRETS is hot, hip and trendy!Von Vivien LubojanskySENSUAL SECRETS is a BLAZE title and as such contains all the heat, erotica and sensuality the line promises. Gladly, there is also a lovely story in the package. The writing is fresh and amusing, and the characters are utterly likeable.Amelia is a typical wallflower; she hides her physical assets under baggy clothes, doesn't go out and party like her college roommates, has only had one boyfriend in her life. Amelia is more adventurous in her mind, though, writes down her personal fantasies and sends them to an anonymous confession page on the internet.As it turns out, mega studmuffin Jay Wagner happens to come across one of her confessions and is immediately thrilled by her sensual self, which she tries so hard to conceal. He chats her up,

invites her for a drink and soon is very attracted to her. I thought the whole falling in love issue was dealt with too superficially, but the two singe the pages when they are together. The sex scenes are really hot, but they don't fill the whole book. A certain character development is obvious, and the setting - NYC - is well portrayed. The characters are in their twenties, students, and barely scratch a living, which for a change was quite a realistic take on living in the city. Romance characters rarely worry about money and the mundane things in life, but those people do. The whole book felt very trendy and modern, and I appreciate it for that. I would recommend it to readers who like a nice romantic fantasy with some spice.

Kurzbeschreibung Good Girl! Amelia Edwards needs to get a life a sex life to be exact! She's living in the Big Apple where she's supposed to be meeting all kinds of single, gorgeous men. Instead she's spending too much time holed up at the cybercafe writing about her fantasies instead of living them out! But that's about to change. Bad Boy! Jay Wagner has been looking for a sexy woman like Amelia. And when he accidentally reads her online sensual secrets, he knows she's the one for him. Through scanning her entries, he learns exactly how to touch her body and what words will make her scream in delight. It's the perfect fantasy relationship. Until reality intrudes and Amelia discovers he's been snooping. Great Sex! Jay seduced her body. Can he now seduce Amelia's heart? Kurzbeschreibung Good Girl!
