book for REAL! Von Ein Kunde HI all you readers! I must confess that I do not read Lavyrle books that often. I only read about 5 of them and I sometimes find her books a little cheesy and unreal. But not this very ONE. This book reflects on a pregnant girl's life and her path in trying to hold on to the love of her baby and its father. I usually don't find a good enough story behind romance novels and nothing that makes the story romantic enough. The books usually come out unreal and you can't respond to any lame thing in the book. Separate beds went way past that obstacle and really caught my interest. This is not just a book to read if you are in for romance. It's also an intriguing story about the ups and downs of being a single mother trying to struggle with your own emotions and everything else that comes along with pregnancy. Not only do you feel so much for the characters, you want to get to know them because Spencer really succeeded in making them truly lovable people. 5 stars for a book like this any day! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Pregnant Heroine Meets Reluctant Daddy To Be Von Ein Kunde O.K., so the guy is not too hard on the eyes. But in every other aspect this story does not follow the usual path. There is a young man who has planned his future perfectly - and is confronted with the result of a one-night-stand that threatens to put an end to his career as well as to his comfortable liaison. And he doesn't act very chivalrous toward the girl either. There is a mousey girl with a growing girth, a rotten family life and a strong will to escape. There are parents who meddle and only want the best - for themselves or for the young ones - just like in real life... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice Romance for a rainy afternoon Von Petra Pfaffenberger Cathrin is in trouble when she learns that she is pregnant from an one-night-stand. Clay - the father to be - is the son of a rich family, who has ambitious plans for himself. Neither Cathrin nor Clay want to marry, but after thinking of the pros and cons, they agree on a marriage of convenience. Actually there's not so much action in this story, but lots of feeling. I laughed, I had tears in my eyes but most of all I loved it with them. LaVyrle Spencer knows how to tell the secret wishes of every woman - to be honored, to be loved. You feel with Cathrin every minute, but you can also understand the feelings of Clay - although I thought sometimes he is too good to be true. 4 Stars for a wonderful story for rainy afternoons.

Kurzbeschreibung New York Times bestselling author LaVyrle Spencer presents a beautiful and moving tale of a false marriage that leads to true love. The wedding of Clay Forrester and Catherine Anderson was the social event of the season. It seemed like a page out of a fairy tale. But everything about it from the formal vows to the magnificent reception was a lie. Catherine had reluctantly agreed to Clay's marriage of convenience and the only thing that could threaten their arrangement was the unexpected arrival of love. A superb story. Los Angeles Times LaVyrle Spencer's legions of fans are drawn to her fiction because of its uncalculated emotion and the author's almost old-fashioned sense of integrity. Chicago Tribune LaVyrle Spencer is magic! Affaire de Coeur Kurzbeschreibung New York Times bestselling author LaVyrle Spencer presents a beautiful and moving tale of a false marriage that leads to true love.
