OUTSTANDING PLOT! Biography/memoir plays a major role in the books of Rupert Smith, in different forms and in different ways. Service Wash is a brilliantly told story about a TV-celebrity Eileen Weathers, whose private life, full of secrets and rumors, has always attracted much more attention and interest than her career as a leading star of the long-running soap New Town. Can Paul Mackrell, a young unfledged gay writer, to throw light on her mysterious past, can he persuade her to tell the truth (at last), and what will he pay for it? THIS BOOK IS EXCELLENT! HIGHLY RECOMMENDED!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun til the end Von Andre Peter What a ride on a mountain road. You never what is waiting for you after the next curve. Things take so many turns. Hilarious all the way!

Kurzbeschreibung Paul Mackrell would like to be writing sensitive prose fiction but when hes offered an incredible fee to ghost the memoirs of TV's most famous soap star, he can't refuse. Star of the long-running soap New Town, Eileen Weathers has played Maggie Parrott, manageress of the Clean Queen laundrette, for 30 years. The media giants behind the show need Eileens autobiography to be a bestseller to help rescue the soaps rapidly falling ratings. No stranger to tabloid gossip, Eileen is keen to put pay to the rumours about her murky past. She wants to reveal the true, unadulterated story, or so she tells Paul. But some of her stories dont quite add up. When Eileens husband and his young mistress are found dead in the family home, suspicion falls on her and she is arrested. The papers have a field day and New Towns ratings soar but will the soap survive with its leading lady behind bars? Did Eileen commit murder? Did she really used to be a man? Itll all come out in the wash... Pressestimmen "Service Wash goes inside 'soap' and finds a world brimming with lust, greed and deadly ambition. Smith's parodies are laugh-out-loud funny, and his gift for satire has never been sharper or more accurate' Paul Burston 'Rupert Smith offers us nothing less than a comic history of British popular culture... His eye and ear are acute, his parodies lethally accurate' Jonathan Coe 'Hilarious showbiz satire... A riotous romp' Observer 'Lethally accurate, spitefully funny and... genuinely chilling' Sunday Telegraph 'Viciously funny and painfully true, this is comic satire at its sharpest. Let's hope someone at Channel 4 got a copy for Christmas' Time Out" Kurzbeschreibung Paul Mackrell would like to be writing sensitive prose fiction but when hes offered an incredible fee to ghost the memoirs of TV's most famous soap star, he can't refuse.
