Von Matt Ruff : Set This House in Order: A Romance of Souls before purchasing it in order to gauge whether or not it would be worth my time, and all praised Set This House in Order: A Romance of Souls:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.
Hervorragender Krimi - Thriller - Slice of Life - Multiple Personality Disorder Von flo_tm Einfach ein tolles Buch, wie auch andere Bücher von Matt Ruff. Ich denke, es erhebt keinen Anspruch auf besondere Realitätsnähe oder Relevanz für reale MPD-Fälle, aber es liest sich hervorragend und fesselnd. 0 von 0 Kunden fanden die folgende Rezension hilfreich.
Insightful, Entertaining Von Michael D. It was recommended to me by my psychology teacher as a literary piece as

close to the real experience as he has read. You might learn more about personality "disorders" than by reading a scientific account.³⁹ von 41 Kunden fanden die folgende Rezension hilfreich. Wunderbare Welt des Wahnsinns ... Von Kunde Verblüffend das es doch immer wieder Bcher gibt die einen erstaunen. Obwohl man mich wohl zu den Matt Ruff Jngern zhlen knnte, die Aufgrund der ersten beiden Werke dem Autor selbst eine Bedienungsanleitung fr Videorecorder als Meisterwerk abnehmen wrden, ist "Set This House in Order" fr mich auch objektiv spitzenklasse. Der Erzhlstil ist extrem interessant und die Perspektive aus der die Geschichte erzht wird ist mir so noch nicht untergekommen... Ruff hat zwei usserst interessante, an Multipler Persnlichkeit leidenden Charaktere erschaffen und schickt sie auf ein Abenteuer das sowohl sehr witzig ist, aber den Leser auch genauso nachdenklich stimmen kann. Die Geschichte ist teils Thriller, teils Krimi aber auch genauso eine Liebesstory und eine Komdie. Sowa gibt es nicht? Nun, bei Matt Ruff schon ... Empfehlenswert ist dieses Buch allemal. Fr jemanden der schon "Fool on the Hill" oder "G.A.S." toll fand, ist dieses Buch sowieso ein muss. Auch wenn in diesem Buch der Fantasy Aspekt ein wenig in den Hintergrund rckt, findet man doch alles wieder was einem an den vorigen Werken gefallen hat. Jedoch wrde ich "Set this House in Order" auch allen anderen Lesern empfehlen, die zwischen Ihren Thomas Manns und Philip K. Dicks auch gern mal einen Pratchett zur Hand nehmen. :)

Kurzbeschreibung Andy Gage was born in 1965 and murdered not long after by his stepfather. . . . It was no ordinary murder. Though the torture and abuse that killed him were real, Andy Gage's death wasn't. Only his soul actually died, and when it died, it broke in pieces. Then the pieces became souls in their own right, coinheritors of Andy Gage's life. . . . While Andy deals with the outside world, more than a hundred other souls share an imaginary house inside Andy's head, struggling to maintain an orderly coexistence: Aaron, the father figure; Adam, the mischievous teenager; Jake, the frightened little boy; Aunt Sam, the artist; Seferis, the defender; and Gideon, who wants to get rid of Andy and the others and run things on his own. Andy's new coworker, Penny Driver, is also a multiple personality, a fact that Penny is only partially aware of. When several of Penny's other souls ask Andy for help, Andy reluctantly agrees, setting in motion a chain of events that threatens to destroy the stability of the house. Now Andy and Penny must work together to uncover a terrible secret that Andy has been keeping . . . from himself. Pressestimmen... his matter-of-fact depiction of the relationships between different personalities is remarkable for its imaginative details. (Publishers Weekly (starred review)) Set This House in Order brings extraordinary warmth to the chilliest of childhoods. (O magazine) Kurzbeschreibung Andy Gage was born in 1965 and murdered not long after by his stepfather. . . . It was no ordinary murder.
