 Von Ein Kunde  
 Wow. This is a must read for Voyager fans and fans of Seven of Nine. Although it's not a life story of Seven, it is partly biographical. I will leave it at that. The writing is mesmerizing. I could not put it down, I read it over two days, about 8 hours. Of course this is biased, I am a fan of the character Seven of Nine, so take my review as you will, Thanks for letting write down my thoughts on the book. The cover art is also very nice as well as the contents inside, a story that gives depth and emotion to a crewmember with a mysterious past. The book is well written, the characters are genuinely interesting and developed, the story flows from page to page with building tension. A must for Star Trek fans.

 Von Ein Kunde  
 After reading the comment, "The title left a LOT to be desired," it suddenly hit me why so many people are so disappointed in Christie Golden over this story. It's the title!!! Have you ever seen a ST novel before that's named after a character? If the next Voyager novel published is entitled "B'Elanna" or "Tuvok," what are you going to expect? (That was a rhetorical question because the answer's obvious, but I'm going to give it to you anyway.) You would expect a novel in which plot takes second place to characters, \*especially\* to that certain character. A good example is "Mosaic"--most people agree that the "present" plot is way inferior to the "past"--but even this one wasn't called "Kathryn." Whoever decided on the title for this book made a HUGE mistake (and I also really like the "Sing a Song of Sixpence" idea). It was obviously expected to sell better if everybody knew simply by the title that Seven was the star (even read the synopses on .com and you know nothing new about plot--just that, duh, it's about Seven). So we all expected some awesome revelation into Seven's past or personality. When we got another plot-driven story instead, greater-than-usual disappointment resulted in at least one person throwing this book against a wall (give me a break). To wrap up, just read this novel like it's any other "Voyager" story, because that's ALL it is. Oh yes, if you want to read Christie Golden at her best, go for "Marooned." And be looking forward to that novel that they HAVE to write eventually (although I wish they'd hurry)-- "Scorpion"!!!

 Von Charles Ashbacher  
 Die Haupthandlung Gert dieses Buches basiert auf, was wirklich passiert, um den Besonderheiten einer Gesellschaft, wenn sie in den Borg assimiliert kollektiven beruht. Als Folge "Next Generation" "Das Beste beider Welten" gezeigt, die Erinnerungen eines ihm gleichgestellten Wesen nicht verloren gehen, wenn sie ein Borg-Drohne zu werden. Daher ist der Terror, Frustration und Hass, den man empfindet, wenn assimiliert wrde Teil des Borg kollektiven Bewusstseins geworden. Es ist klar, dass nicht auf das Verhalten der Borg, denn es scheint keine nderung in ihrem Verhalten. In dieser Geschichte wird Voyager durch den Raum durch die Lhiaarian Reich, einem groen Bereich, wo der Kaiser muss persnliche Erlaubnis, durch sie reisen zu geben und geht um unrealistisch gesteuert Reisen. Voyager fhrt auch die letzten wenigen berlebenden des Skedan, einer Rasse von Telepathen, deren Kultur durch die Borg zerstrt. Die Skedans waren Teil der Lhiaarian Reiches und wurde versprochen, Schutz durch das Reich, als bekannt wurde, dass die Borg waren auf dem Weg. Diese Hilfe kam nie an, so dass die wenigen verbliebenen Skedans Schuld der Kaiser fr ihre Zerst rung. Seven of Nine beginnt erleben Halluzinationen und Rckblenden auf Veranstaltungen, bei denen sie ein Teil der Assimilation einer Art war. Sie beginnt mit der Einnahme auf die Persnlichkeitsmerkmale von einem jungen Mdchen, die assimiliert wurde und wenn es passiert, wird Seven of Nine offener und angenehmer. Die Skedans nutzen ihre telepathischen Fhigkeiten, um die Voyager Crew manipulieren, wie die Skedans haben Plne, ihre eigene Rache zu suchen. Das Auftauchen von Sevens Erinnerungen als Borg hilft ihr die richtige Entscheidung treffen, wenn man eingelegt werden muss. Whrend die Geschichte hat einige flache Stellen, ist die Anhebung der Frage, welche Wirkung assimiliert Erinnerungen auf der Borg kollektiven Bewusstsein eine, die mich zum Nachdenken ber die gesamte Geschichte hatte. Es scheint, dass diese Erinnerungen wrden gewisse Wirkung auf die Borg haben, was zu dem Potential fr Konflikte innerhalb der Borg. Eine schizophrene Borg Kollektiv sorgt fr eine sehr unterhaltsamen Gedanken.

Kurzbeschreibung  
 Once she was Annika Hansen, an innocent child assimilated by the fearsome, all-conquering Borg. Now she is Seven of Nine, a unique mixture of human biology and Borg technology. Cut off from the collective that has been her only reality for most of her existence, and forced to join the crew of the Starship Voyager, she must come to grips with her surprising new environment -- and her own lost individuality. Seven of Nine has already captured the imagination of fans all over the world. Now the most sensational new character of the twenty-fourth century stars in her first full-length novel. Resistance is futile.
