Von Deb Julienne : Sex, Lies, and Beauty Aids (Twisted Sisters Club) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sex, Lies, and Beauty Aids (Twisted Sisters Club):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Okay for light-hearted romance lovers, but nothing deepVon CoffeeAndBooks*** I have received an ARC via NetGalley ***Well, this was a funny and easy read :) something I'd recommend for a lazy weekend or vacation.I found myself laughing with the characters and was well entertained - but!I thought that the heroine Sabrina was too good, too naive to be true and didn't she have some stalker like tendencies (being obsessed with the hero Trent)?Despite the -in my

eyes- weird title, this book is not as explicit as the title implies and instead, it is a sweet, light-hearted romance.

KurzbeschreibungSex, lies, and beauty aids finally earn the girl next door a little respect. Sabrina Thompson, editor of Skin Deep Magazine's successful Natural Beauty Secrets column, is handed the challenge of her life. Take over the Love and Sex column or lose her job. What does a twenty-four year old virgin know about love or sex when she's never been on a third date? To complicate matters, there's a new guy at the helm. Her only crush's clone is issuing orders. While his pompous and ambitious twin dries out, playboy and ne'er-do-well Trent Wellington must assume his identity and save his family's flailing magazine. The bright spot amid staff cuts and content restructuring is the plucky editor he once made a fool of himself in front of at a family gathering. Fooling everyone isn't easy, especially when Sabrina inspires his true self to be more than he ever has. Years of hearing she's too nice to date have left Sabrina's frustration simmering. It boils over when she discovers Trent's deceit and she vows to make him pay. Getting even has never been so much fun. CONTENT WARNING: mature language, sexual situations75,465
