Kurzbeschreibung "Sex, Lies, Family Vacations made me laugh, then cry...then laugh until I cried! Leslie Langtry creates characters that are so relatable and yet so humorous that you'll want to re-visit them again and again." - Gemma Halliday, New York Times bestselling author
From USA Today Bestselling author Leslie Langtry...Laura Smith is the mom of two adorable children, the wife of a successful businessman...and the unappreciated shadow of the woman she once was. Somehow, her family never seems to notice that the laundry gets done, the house is picked up, dinner mysteriously appears on the table, and then cleans up after itself. Instead of being her children's idol and her husband's lover, she's become a funny little footnote in her own life. That is until she takes her children on vacation to Disneyworld in sunny Florida, where she just happens to end up in a hotel room right next to her college flame, Alan James. Old passions ignite and new excitement sparks as Laura and Alan bring new meaning to "The Most Magical Place on Earth." But when Laura and Alan's spouses unexpectedly show up in Florida, a comedy of errors ensues, and only one thing is for certain: Laura's life will never be the same again.
Note: This book was formerly published under the title The Adulterer's Unofficial Guide to Family Vacations.

Leslie Langtry is the author of the Greatest Hits Mysteries, Sex, Lies, Family Vacations, and several books she hasn't finished yet, because she's very lazy. Leslie loves puppies and cake (but she will not share her cake with puppies) and lives with her family and assorted animals in the Midwest.
