romance that sets the pages on fire. Series are fabulous, you get acquainted with all the awesome characters and the characters in this series are powerful, sultry, and superhuman heroes. This story features Kathryn an audacious, sexy, curvaceous blogger who can't keep herself clear of horrific danger, and the voice of reason; Shade and Lightning, two strapping, sultry, potent superhuman heroes who have claimed Kathryn as their own and have sworn to protect her. What you'll find in this story; a cast of remarkably impressive and engaging characters, spectacular story-line, powerful vivid scene descriptions, pent-up rage, jealousy, gut-wrenching moments, gripping suspense, intrigue, superb banter, life threatening moments, secrets revealed, betrayal, jaw-dropping pulsating sensual romance, and a hair-raising conclusion that leaves you awe-struck craving the answers you desire. Kathryn has been kidnapped by a lunatic superhuman and he is taking her before the Council to see if Lightning and Shade claim her together. If they do not show Kathryn may lose her life. Both superheroes are incensed that someone had the nerve to take her. No matter how hard they try they cannot keep Kathryn out of harms way. Someone seeks ultimate power, and one thought to be a friend is now an unknown enemy!!! INCREDIBLE fast paced well written read by a truly gifted author. This series keeps getting better with each book. The characters spring to life with the plot and dynamic scene descriptions. The chemistry between the triad is more than convincing and is blazing hot. Unwavering devotion for Kathryn catapults Lightning and Shade into protecting her at all costs. I relished this story; a most exhilarating read, and eagerly await the next book. If you enjoy romance with spine-chilling danger this is an excellent choice for your library. In the world of fantasy romance the possibilities are endless and always fascinating. {I was given a copy of this book for a completely honest review}. Without reservations I highly recommend this book, and the series.....

Kurzbeschreibung Twice the lovers, twice the trouble If there was an award for Worst Ever Choice of Lover, curvy blogger Kathryn Smith would have won it. Twice. Sure, the two supernatural beings who have decided she belongs to them are hot as hell and make her bed plead for mercy for hours at a time. And yeah, they did sorta-maybe get her chubby ass out of trouble more than once. But they're both overbearing, domineering and completely impossible to read - not to mention one's an insufferable jerk while the other's a straight-up psychopathic killer. The only thing that could make Kathryn's love life any worse would be if some insane superhuman with a grudge against her lovers decided to kidnap her with the promise of a slow and painful death - if she doesn't tell him exactly how to kill the two men her stupid heart aches for. Oh, wait Third part of the paranormal romantic suspense serial Darkness. Features two uncompromising bad boys and their very steamy romancing of one lucky, voluptuous lady.
