Shades of Gray Sizzles with SuspenseVon Ein KundeIn "Shades of Gray", Vicki Hinze proves she can successfully combine elements of intrigue, suspense and romance. The characters come to life from page one as Ms. Hinze writes with emotion that sizzles.Laura Taylor and Jake Logan have been best friends for what seems like forever. Both Special

Ops in the Air Force, their relationship has remained platonic, but that's about to change. Jake's drunken ex-wife is determined to gain custody of Jake's young son. Laura loves the child as if he were her own and she will do anything to protect him from the upheaval his mother is capable of. Laura and Jake marry to protect his son. Shortly after their marriage, Jake is called in on operation "Shadowpoint." Laura too is involved, although even she is unaware of how deeply. As they are plunged into the insane world of terrorism, Laura and Jake realize their relationship goes beyond friendship... Ms. Hinze leaves the reader hanging with each word. This book is impossible to put down after the first paragraph. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A high-tech, romantic thriller! Suspense at its best! Von Ein Kunde This book nearly got me fired for coming to work half-asleep. I picked it up an hour before bedtime with the intention of reading the first few pages. When I put it down, the sun was rising and my heart was pounding. This book accurately delves into the world of Special Ops and the men and women who lay their lives on the line for our country any time, any where. The spies and biological warfare threats were well-researched and exciting, and the romantic elements were just right. What a hero, what a heroine, what a book! If you like Tom Clancy, Nelson DeMille, or Tami Hoag, you'll love Vicki Hinze's SHADES OF GRAY. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Get ready for an emotional rollercoaster! Von Ein Kunde Shades of Gray is a multi-textured masterpiece that will thrill readers of suspense and romance alike! Hinze is an expert when it comes to characterization and creates characters that will tug at your heartstrings and have you cheering for them every dangerous step they take. Be prepared to be on the edge of your seat -- literally. You'll cry, you'll laugh, and experience all the emotions in between as Hinze delivers a story you'll not soon forget -- and a story that will have you thinking about the very shades that color your own life. This is a MUST read!

Laura Taylor will go to any lengths to help her longtime friend Jake Logan and his son Timmy, whom she adores. She'll even marry Jake in order to prevent his crazy, alcoholic ex-wife from gaining custody of Timmy. Because Jake's work as a Special Operations major is so dangerous that it's unlikely he'll survive, he and Laura agree never to fall in love. Then Jake is sent on a covert mission to stop a terrorist group from poisoning a city's water supply with biological weapons, and he uncovers evidence that forces him to suspect Laura of treason. High tension, riveting action, and characters of extraordinary integrity and self-control make Shades of Gray informative and entertaining. --Ellen EdwardsKurzbeschreibung How does a simple marriage of convenience turn into a militaryromantic suspense where lives must be risked to save a child, a marriage, and interrupta terrorism attack poised to kill millions?"Complications here go beyond the usualhurdles and make the romance more touching for being hard won.
