Solid romance with a strong heroineVon javelinxThis is the 7th volume of the "Midnight Breed" series. The story takes place in the cold wilderness of Alaska, where Alexandra Maguire works as a bush pilot, carrying on her deceased father's business. On a delivery flight, she discovers several horribly mutilated corpses, reminding her of a traumatic experience many years ago in Florida, where she lost her mother and little brother and decided with her father to leave the memories behind as far as possible. Alarmed by online-films of the murder scene, the Boston Order sends vampire warrior Kade to investigate the possibility of a descendant from Dragos on the loose. He is well acquainted with the climate and the surroundings, having grown up in a near Darkhaven, but loath to return, having fled the premises and his family a year ago in order to avoid confronting his strong suspicions of his twin brother Seth turning Rogue. From this point anybody can guess where the story is leading to and who the happy couple of breedmate and Vampire will be. Nonetheless, what I like most is the character of Alexandra, who is depicted as a courageous and determined woman, not afraid of surviving alone in the harsh climate and rather primitive surroundings, taking serious her responsibility of delivering necessary items for the widespread population even under dangerous conditions. She's also not afraid of facing her feelings and expressing her desires. While Kade is rather insecure and has to come to terms with his familial relationships, she knows what she wants and will not be deterred from getting it. Kade is not the standard dominant Alpha-male with lots of scars and decades of traumatic experiences, but seems sometimes a little shy and hesitant, which makes a nice change. Equally interesting was the arctic scenery, also not standard fare. All in all a good read, only suffering a little from too much predictability; therefore I give 4 stars.8 von 9 Kunden fanden die folgende Rezension hilfreich. Endlich wieder eine gute Fortsetzung! Von BernsteinNachdem mich die beiden vorangegangenen Bcher nicht gerade vom Hocker gerissen haben, war ich von Shades of Midnight angenehm berrascht. Niko und Renata konnten keine Sympathie in mir erwecken. Ashes of Midnight fand ich fast unertrglich schwlstig; die Probleme, die Andreas und Claire zu berwinden hatten, an den Haaren herbeigezogen. Groe Literatur darf frau natrlich auch von diesem neuen Buch nicht erwarten, aber es war "fun to read". Leider sind alle sieben Bnde der Reihe nach dem gleichen Muster gestrickt. Es variiert nur die Farbe der Wolle...2 von 2 Kunden fanden die folgende Rezension hilfreich. besser als der vorgnger Von guddihier hat sich lara adrain deutlich mehr mhe gegeben als mit der vorhergehenden story um andreas reichen (schade, ein cooler typ, komplett verschenkt mit seiner aufgewrnten liebsten von vor dreiig jahren...)die neue location alaska hat dem buch gut getan, ebenso wie das auftauchen des auerirdischen Urvaters. die neue entwicklung am schlu des buches (Jenna offensichtlich nicht breedmate hat das deutliche interesse von brock geweckt) fand ich super. Kade und Alex sind ein sympathisches paar, und man leidet und fiebert mit, wenn auch die lsung des konfliktes Kade/Seth mehr als vorhersehbar ist. dennoch halte ich die midnight breed serie fr eine der besten - wie immer mit der empfehlung:nur in englisch!!!

KurzbeschreibungIn a frozen wilderness steeped in darkness, the lines between good and evil, lover and enemy, are never black or white but drawn in Shades of Midnight. Something inhuman is stalking the frigid Alaskan wilds, leaving unspeakable carnage in its wake. For bush pilot Alexandra Maguire, the killings stir memories of a horrific event she witnessed as a child and evoke in her the inexplicable sense of otherness she has long felt within herself but never fully understood . . . until a darkly seductive stranger with secrets of his own enters her world. Sent from Boston on a mission to investigate the savage attacks and stop the slaughter, vampire warrior Kade has his own reasons for returning to the frigid, forbidding place of his birth. Haunted by a secret shame, Kade soon realizes the stunning truth of the threat he faces-a threat that will jeopardize the fragile bond he has formed with the courageous, determined young woman who arouses his deepest passions and most primal hungers. But in bringing Alex into his world of blood and darkness, Kade must confront both his own personal demons and the even greater evil that could destroy all he holds dear.
