Von Anne Stuart : Shadow Dance (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Shadow Dance (English Edition):

Von Deborah MacgillivrayStuart tries her hand at Much Ado and comes away with a winner! I had this book when it originally came out, but somehow lost it. Very odd for me, because everything Stuart writes goes on my Keeper Shelf. So I was very thrilled to find a used copy on . Frankly, I DO NOT understand the STUPID marketing of Stuart's Backlist. There are many powerhouse titles that are not kept in print (and fans are

gripping!). I really find this bizarre for a writer of her calibre. Maybe she needs to get a new agent! This book is a delightful mix of emotions! Valerian Romney is accused of killing his father. Now would our hero do that? Well, it's an Anne Stuart book so remember there is always that intriguing possibility! LOL. Romney must flee with his brother Phelan - but in the disguise of Phelan's WIFE! Only the masquerade it off to a very rocky start as Valerian instantly feels attraction to lovely Sophie - and Sophie is getting confused flushes from the "Lady" Valerian! If that is not bad enough, his brother Phelan is getting a case for Lady Juliette. Trouble enough - not by far! Juliette is attracted to the "married" Phelan, but she is in masquerade as a boy, trying to escape a heartless abuser. Only Stuart could have the mask, mask who's wearing the mask farce with such delight, wit, charm and sexy steaming situations! A must for Stuart fans showing once again, Historical, Fantasy or Contemporary settings she does it all! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Eine herrliche Verwechslungskomödie Von 1815 in England Valerian Romney wird des Mordes an seinem Vater verdächtigt. Sein Bruder Phelan steckt ihn in Frauenkleider und verschwindet mit ihm in einen kleinen Kstenort. Dort wollen beide abwarten, ob sie den wahren Mrder entlarven können. Kaum ein paar Tage da, luft ihnen "Julian Smith" ber den Weg, der in selbigem Kstenort pltzlich aufgetaucht ist und in einem Inn wartet. Um Julian vor den Advancen irgendeines schwulen Grafen zu schtzen, nehmen sie ihn in ihren Haushalt auf - wobei Phelan und Valerian vllig klar ist, dass Julian kein Mann, sondern eine Frau namens Juliette ist. Zwischen Phelan und Juliette entwickelt sich bald eine Beziehung, whrend Valerian (noch als Frau) sich an eine junge Frau heranmacht, die nicht so richtig versteht, warum sie sich so zu ihrer "Freundin" hingezogen fhlt. "Shadow Dance" ist eine Komödie, hat aber die stuarttypischen dunklen Untertöne, die die ganze Verwechslungsgeschichte erst so richtig interessant machen. Ausserdem sind die beiden weiblichen Figuren sehr gut ausgearbeitet - vor allem Juliette setzt sich richtig gut gegen das Machogehabe der Brder durch :-). Ein echter Geheimtip und - da leider OOP - seinen Preis allemal wert!

Kurzbeschreibung Valerian Romney, falsely accused of murdering his father, has no choice but to hide out in womens clothes, posing as his brothers wife, which makes falling in love with Sophie an admitted problem. In the meantime, his brother Phelan is falling for Juliette, who, disguised as a boy, is on the run from an abusive husband. Murders, mistaken identities, and true love are only some of the complications that abound. An award-nominated romp of Shakespearean confusion.
