**Von Susan Andersen : Shadow Dance** before purchasing it in order to gage whether or not it would be worth my

time, and all praised Shadow Dance:

KurzbeschreibungWhat Lurks in the Dark Shadows of the Heart?Most men who see Amanda Charles dance worship her from afar. But one "admirer" is getting too close to the glamorous showgirl...perilously close. The looks, style, and grace that make Amanda sparkle on stage have now made her something else: the target of a serial killer.Detective Tristan MacLaughlin has drawn the case that is pulling him deep into a world of pageantry and dazzle -- and closer to the stunning, violet-eyed beauty who keeps her secrets and emotions locked tightly inside. Tristan never thought he'd be bewitched by Amanda's charms, never though he'd care. And he never imagined that by wanting her, by trying to protect her, he'd place her in the gravest danger of all.KurzbeschreibungWhat Lurks in the Dark Shadows of the Heart?Most men who see Amanda Charles dance worship her from afar.
