amazing! Von Naoya_Abeno At first when i saw the previous Reviews i was kinda sceptical about the book, but the further i read it the better it got and at the very end i was in love with it. I've read a lot of books and this one just really sticks out. I really hope the second volume comes out quickly. The character development in this book is really good and i just loved the whole story. So five stars from me! (Well actually 7 stars out of five ;))
