**Von Terence M. Green : Shadow of Ashland (The Ashland Trilogy Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Shadow of Ashland (The Ashland Trilogy Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A quick readVon RonaGoldfarbLeo Nolan is at first glance trying to fill a void for his dying mother. In his search for her lost brother he is transported to another time, when troubles ran deep. The characters are easy to grasp, and attention to

detail is not necessary. The intermingling of the here and the "then" is inviting. I found this book to be a compelling quick read, worthy of passing onto others. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Worth the Read Von Ein Kunde I didn't think I'd like this book but it surprised me. The narrator is likeable and the story is easy to follow. This is not a typical romance (which is what I thought when I looked at the cover). Worth reading at least once!

Kurzbeschreibung THE BOOK YOU HAVE TO READ Entertainment Weekly "Things have to be settled, or they never go away." Only weeks before she dies in March, 1984, Leo Nolans mother shows her son a rose she says was just given to her by her brother, Jack, who disappeared 50 years earlier. After her death, letters from Jack begin to arrive at the family home. They are postmarked 1934. The final one is from Ashland, Kentucky. Leo heads to Ashland, to track down the source of the letters. And to find out why they are arriving now, after 50 years. Time shifts. Time runs underground, then surfaces. It is 1934, and Leo experiences the Great Depression and the ghosts of the past as no one has in 50 years, in Ashland, where dreams die and are born again. A love story, time travel epic, ghost story, labor history, road novel and a bank heist, all with the added touch of Steinbeckian metaphysics. For me it was the surprise of the year, a rich evocation of 1934 small-town Kentucky that winds up completely unpredictable. The Edmonton Journal, Top Fiction Pick of the Year Green has devised a truly mysterious mystery, he writes with a real and rare sympathy for his characters. The Atlanta Constitution A jewel of a novel Booklist A deceptive novel, one that begins and ends simply yet is filled with extraordinary events. SHADOW OF ASHLAND succeeds. The New York Times WORLD FANTASY AWARD FINALIST
