Von Karen Dales : Shadow of Death: Book Two of the Chosen Chronicles (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Shadow of Death: Book Two of the Chosen Chronicles (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. "Death is the beginning. Life is the shadow."Von BeachesDer zweite Teil der Chosen Chronicles beginnt wieder mit einem Zeitsprung. Nach den Ereignissen des ersten Teils sind mehr als 100 Jahre vergangen und Dales schildert in

Rückblicken wie es Angel nach seiner Konfrontation mit dem Grand Council der Chosen ergangen ist. Aufgrund der vielen Zweifel der Chosen hinsichtlich Angels Reinheit, hat er sein Überleben lediglich dem Umstand zu verdanken, dass er als einziger in der Lage ist, Chosen von Vampiren zu unterscheiden. Mit dieser Fähigkeit wurde Angel durch ganz Europa geschickt, um Vampire auszuschließen und nach dem tragischen Verlust im Vorgänger nutzt Angel diesen jahrzehntelangen Kreuzzug zur Rache. Seine Fähigkeit, den Nebel der Dämonen zu erzeugen, wurde zudem als Waffe zur Vernichtung der Vampire eingesetzt. Die wenigen überlebenden Vampire sind nach Nordamerika geflüchtet und ein unausgesprochener Waffenstillstand herrscht zwischen den Spezies/Kontinenten. Notus bekommt eine einmalige Gelegenheit für das Britische Museum eine Wanderausstellung zu begleiten. Trotz intensiver Warnungen von Fernando und Bridget machen Angel und Notus sich auf nach Kanada. Auch Angel ist unwohl beim Gedanken daran, in das Hoheitsgebiet der Vampire einzudringen, doch will er seinen Mentor und Choser nicht allein und ungeschützt auf die Reise schicken. Ihre Ankunft wird schnell bemerkt und Corbie Vale, der die damalige Vernichtung seiner Mistress durch Angel überlebt hat, schmiedet einen gerissenen Racheplan aber auch Thanatos (Bastias Choser) befindet sich in der Nähe und hat immer noch ein großes Interesse an Angel. Angel hat sich dieses Mal nur zum Teil von seinen ersten schweren Verletzungen erholt - doch diese sind sein geringstes Problem, denn durch einen Blitzschlag verwandeln sich Angels Fähigkeiten erneut, allerdings mit ernsthaften Konsequenzen, die er beim Showdown mit den Vampiren schwer zu spüren bekommt. Zudem gibt es ein schmerzliches Wiedersehen mit einem nun drastisch veränderten Charakter aber auch Angels Beziehung zu Notus unterzieht sich einer schweren Belastungsprobe, nachdem Notus lang geheftetes Geheimnis zu Angels Abstammung gelüftet wird und Angel sich schwer von diesem betrogen fühlt. Wieder hat Dales eine großartige Geschichte mit überraschenden Wendungen geliefert. Auch gibt es zum Glück ein Wiedersehen mit Fernando und Bridget sowie neue interessante Charaktere. Ein klein wenig Romantik gibt es für den tragischen Helden auch, allerdings ist dieser Part eher ein erster kleiner Teil. Das Ende war ein großer Schock und ich sa doch etwas sprachlos vor meinem Kindle aber ein Blick auf die Seite der Autorin lässt aufatmen - Spoiler hierzu kann ich gerne in den Kommentaren auf Anfrage geben. Das nächste Buch namens Thanatos hat leider noch kein Erscheinungsdatum, wird aber meinerseits mit großer Spannung erwartet. Die Reihenfolge der Reihe bisher: Changeling: Prelude to the Chosen Chronicles Angel of Death: Book One of the Chosen Chronicles Shadow of Death: Book Two of the Chosen Chronicles Thanatos: Book Three of the Chosen Chronicles (Erscheinungsdatum noch unbekannt)

Kurzbeschreibung "A dark, compelling thriller that will keep readers turning the pages well past bedtime." - Kelley Armstrong, New York Best Time Selling Author. A dark and gripping tale by a true mistress of supernatural fiction. Karen Dales brings fresh blood to the vampire genre. Michelle Rowen, National Bestselling Author Released from more than one hundred years of revenge, the Angel of Death is no longer a tool for the Grand Council of the Chosen. He is finally free to return to a semblance of a life with Father Paul Notus. Haunted by nightmares of his past misdeeds and failings the Angel wants nothing more than to be left alone. It is across the Atlantic, in a foreign country, that he joins Notus, taking up the mantle once more as a protector in a land where those who would see him dead have flourished. Corbie Vale has not forgotten what the Angel has done. His own burning need to see the Angel humiliated and Destroyed sets into motion a carefully seeded plan despite warnings of greater retribution. Now in Corbies territory, the Angels sword becomes the lure to a trap, one that changes the Angel by giving him what he never dreamed of mortality. s: "Dales doesnt disappoint with 'Shadow of Death'...left me gasping in surprise...by far the best in the series so far and I will certainly be devouring any future additions." - Open Book Society "Shadow of Death...takes you on a nail biting ride across the pond to her home town ...
