Passion ist eine Prequel-Novelle zur Shadow-Warder-Serie, die im August erscheinen wird. Die Geschichte beginnt ohne großes Vorgeplänkel. Es geht um Gabe, einen 'Warder' (eine Art Dämonenjäger), der nur noch ein Ziel im Leben hat: den Mord an seinem Bruder zu rächen. Celeste, ein 'Shadow' (irgendwie dasselbe) ist aufgrund eines magischen Defizits seit Jahrzehnten gezwungen, alleine und abgeschottet von jeglicher Technologie zu leben - ihr einziger Begleiter ein riesiger Hund. Jeglicher Kontakt zwischen Shadows und Wardern ist seit Jahrhunderten strengstens untersagt (warum vermag ich nicht zu sagen), aber als sie sich begegnen, können beide weder die Leidenschaft leugnen, noch die magische Bindung erklären die sich zwischen ihnen zu formen scheint. Shadow's Passion ist eine überzeugende und ungewöhnliche Verschmelzung von Fantasy und erotischer Romanze. Mehr noch, im Gegenteil zu den meisten Liebesromanen beginnt die Beziehung der beiden Helden als pure erotisches Abenteuer, unverblümt und unromantisch. Erst nach einer gemeinsamen Nacht entwickelt sich ein Band aus Liebe und Vertrauen, und beide beginnen ihren bisherigen Lebensweg zu überdenken. In dieser Novelle funktioniert das perfekt, was zum großen Teil an Mollie McGregors makellosen und fesselnden Schreibstil liegt, der den Leser von der ersten Seite an in den Bann zieht. Alle Figuren sind gut durchdacht und komplex. Die parasitären Dämonen, die sich von menschlichen Emotionen ernähren und die Seele Stück für Stück verschlingen, dabei jedoch den Körper intakt lassen, sind gruselige und gefährliche Gegenspieler, über die man in der modernen Fantasy nicht viel liest. Außerdem alterniert die Geschichte zwischen Gabes und Celestes Sichtweise, was nicht nur die sich entwickelnden Gefühle glaubhaft macht, sondern auch zeigt, dass etwas Magisches zwischen den beiden vorgeht, das sie sich nicht erklären können. Leider hatte die Geschichte nicht viel Zeit sich zu entfalten und besitzt natürlich nicht die Tiefe eines 500-Seiten-Romans. Ich habe nicht genau verstanden was Shadows und Warder eigentlich sind, und ich hätte gern mehr über den Unterschied zwischen beiden und die Hintergründe ihrer Gesellschaft erfahren. Warum ist es ihnen verboten zusammenzusein? Was immer der Grund ist, ihre Verbindung ist der Schlüssel zur ihrer Zukunft und ich bin sicher, dass sie in den kommenden Romanen zur Zufriedenheit erforscht wird. Shadow's Passion macht Lust auf mehr, und ich freue mich auf den Roman. Vielen Dank, Mollie, ich möchte die Novelle sehr. **Interview with the Author** Q - So, what makes The Shadow Warder Series special? A - I love paranormal romance and urban fantasy, so when a story crept into my head and demanded to be told, it wasn't a surprise it was a combination of those genres. I like to mix it up, so you'll find the series focuses on paranormal fantasy romance overall, with elements of suspense, mystery, and action tied in. The Shadow Warder Series features a wide range of supernatural and human characters, including psychics (the Shadows), warriors (the Warders), my own version of witches, with plenty of magic and the occasional sword fight. As readers said in their reviews: "Anyone who's into fantasy and paranormal, will enjoy it as much as I did." "It has lots of action and more action." "I definitely recommend it to readers loving mystery, action and adventure." And, of course, (since the Shadow Warder Series is a romance at its core), "This is a very sexy story, with a great story line." "A great, complex and suspense-packed combination of rapid fantasy and steamy romance that you will devour in one sitting. I promise."

Q - What order should I read the books in? A - The Shadow Warder Series can be read as standalone novels, but many of the references won't mean as much if you missed earlier books. The best reading order is:- Shadow's Passion (Prequel Novella, Free on !)- Shadow's Awakening- Shadow's Pleasure- Shadow's Discovery (coming soon)

Q - So, why should readers give these books a try? A - Readers who want a fresh take on paranormal fantasy romance series, should give the Shadow Warder Series a try. If you enjoy fast paced paranormal action, sweet but hot steamy romance, alpha heroes, and strong heroines you'll love this series. Since Shadow's Passion is free, readers can give the series a try with no risk. Über den Autor und weitere Mitwirkende Molle's writing career started when she was seven and suffered terrible insomnia. Night after night she couldn't sleep until long after mid-night, only to wake a few hours later. Frustrated with her inability to just go to bed, (and her penchant for sneaking a book and a flashlight under the covers) her grandmother said, "You like to read so much, why don't you tell yourself a story until you fall asleep." With this brilliant advice, Molle's overactive brain was off and running. Now, years later, she's finally taught herself to sleep, but she's never stopped telling stories. When she's not reading, writing, or staring into space making things up, Molle is getting into trouble with her husband, two sons, two dogs and vicious attack cat in the mountains of North Carolina. She likes to hike, cook, listen to music way too loud, and hang out with her boys. She does not like dusting or emptying the dishwasher.
