Wow!Von Kindle-KundeI couldn't put it down!!! The Characters were absolutly believeable and I loved them both! I felt their pain, the joy, the Love... I would recommend it to everyone!

Kurzbeschreibung She's in for the fight of her life...with the man who only wants to be her lover. Fighter Mia Anderson has faced the dark side of life and survived. But just getting by is no longer enough. To fund her new life with her baby sister, she's determined to beat the reigning king of the male fighters in New York's underground MMA circuit, Tray Fox Knox. Tray refuses to fight a woman, until he learns Mia's tougher than anyone he has ever known. He soon realizes he wants more from her than blows and blood, and he's willing to hit below the belt to get it. He'll fight her, but if he wins, she spends the night in his bed. All night long, his rules. No tapping out. Mia agrees, certain that she'll lose. What she doesn't realize is that Tray loves to fight dirty and that this match may end up being the most important one of their lives.

ber den Autor und weitere Mitwirkende USA TODAY bestselling author Cari Quinn wrote her first story--a bible parable--in 2nd grade, much to the delight of the nuns at her Catholic school. Once she saw the warm reception that first tale garnered, she was hooked. She attempted her first romance in junior high, long before she'd ever read one. Writing what she knew always took a backseat to what she wanted to know, and that still holds true today. Though she also fires up her computer as a graphic designer, proofreader and editor, she can't resist the lure of disappearing into a world of her own creation. Now she gets to pen sexy romances for a living and routinely counts her lucky stars.
