Von Martine Jardin : Shadowed Love (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Shadowed Love (English Edition):

KurzbeschreibungSet in the early sixties, this book is partially based on true life events, and is part fiction. Romance is like a burning jewel, it either sparks and flames brightly, or it is shadowed by the world's cruel intervention. Shadowed Love is the story of a love between a black man and a white woman. Their love is like a flawless pearl, perfect, unblemished, except for the cruelty of humanity determined to destroy it.
