Packende (Kurz-)Geschichte in der Zeit von Wifi in ShadowrunVon Marcel F.Russell Zimmermann gelingt es, hier ein sehr immersives Erlebnis der Seattler Shadowrun-Welt in den Jahren nach dem 2. Crash zu schaffen, indem er kurz, aber geballt verschiedene Elemente von v.a. Puyallup zum Leben erweckt. Die Charakterzeichnung des Protagonisten als ein teils ausgebrannter Magier mit seinem Verbndeten Geist ist sehr gelungen.Ich habe das ebook noch nicht ganz zuende gelesen, aber habe bisher alles sehr genossen. Es fllt auf, dass die Geschichte eben recht kurz ist, was aber bei dem Preis durchaus zu verkraften ist.Das Englisch ist fr meine Begriffe nicht einfach, doch das integrierte Wrterbuch von Kindle erleichtert einem das Lesen hier enorm.Ich wrde mich sehr freuen, wenn noch mehr

SR-Romane in dieser Zeit und am besten auch in der Qualitt geschrieben werden wrden!1 von 1 Kunden fanden die folgende Rezension hilfreich. Groartiger SR RomanVon FirefoxEin toller Detektivroman aus dem SR Universum. Einzige Kritik: zu kurz. Zimmerman gelingt es hier, eine spannende Geschichte mit einer plausiblen Welt zum Leben zu bringen. Der Schreibstil ist betont lssig, und auch fr nicht Englisch-Muttersprachler leicht zu lesen. Fast thrilling fiction that draws you in and keeps you readingVon HudsonTNGThis novel is the fastest, well written piece of shadowrun fiction since Tailchaser by Paul. R. Hume. With every chapter the Author reveals only fractions of the story to the reader letting him know: there is more behind it. There story keeps it's pace on every page and never get's slower so I swallowed this little masterpiece.

KurzbeschreibungThe Meanest StreetsJames Kincaid is the type of guy who might be described as down on his luck, if only hed had some luck to begin with. Like so many people in the shadows of Seattle, hes trying to get by with what he has. In his case, that includes a lively spirit, a sadly diminished magical talent, quick wits, and good knowledge of the twists and turns of Seattles dingy streets and back alleys. He puts all that to the service of whatever clients he can dig up, solving whatever cases theyre willing to pay him to take on. With any luck, hell scrape up enough nuyen to buy a few rounds of his favorite drinkwhiskey, neat.His latest case seems simple enoughfind a girl whos gone missing. But throw in a couple of feuding megacorporations, a few organized crime families, and a full selection of the odd denizens of Seattles streets, and youve got a case thats anything but easy. Its up to Kincaid to see how many people he can keep aliveincluding (and especially) himself.Neat is a brand-new Shadowrun novella plunging readers into the cold, sharp environs of the Sixth World. Elves, trolls, orks, and dwarves mix with humans in the shadowy streets of a near-future world altered by magic, trying to survive on the crumbs dropped by the megacorporations that dominate the world. Whether youre new to Shadowrun fiction or a longtime fan, Neat is your ticket back to the Sixth World in all its dark, desperate glory.KurzbeschreibungThe Meanest StreetsJames Kincaid is the type of guy who might be described as down on his luck, if only hed had some luck to begin with.
