KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Love it!Von SiniFis***I received this book in exchange for an honest review from the Author and the Lovers of Paranormal Group on Goodreads.com***We are back in Edenton. This time it's all about Amethyst Lake, a nymph who left San

Francisco behind after some boyfriend issues. All she wants to do is keep a low profile and settle in this small town. But she didn't think about Edenton's big and grumpy sheriff Hayden. Brandy did it again. Another Edenton-book and it didn't take a lot of pages to fall in love with her characters. I loved Amethyst who isn't really self-confident with her powers and who just wants to make no trouble. I could feel her uneasiness as soon as Hayden was around, although all he wants to do is get to know her. I loved Hayden. I can literally see him suspicious and grumpy looking. Another rough guy with a soft heart for his girl. I totally love it!

Kurzbeschreibung Haunted by memories of her past, Amethyst Lakes left her home to come to Edenton. She was ready to start a new life on her own after being stalked relentlessly. Hayden Hunter is too busy being Sheriff to take interest in a woman. That is until his officer drags Amethyst into his life. For the first time he wants to protect and claim. There's instant attraction between the two, but Amethyst isn't ready for anyone since she found out her ex killed himself after she sent him away for good. Preston has always protected Amethyst, and when he finds out something of legend and nightmares is coming for her, he'll do everything he can to keep her safe. Amethyst is either the catalyst to bring nightmares fully into this realm, or the one to end them. Can she find the power to stop the darkness, or will she wind up its prey? Pretty little nymph, suspicious but sexy earth fae, cocky mage, and a nightmare of old.
