**Von Jennifer Blake : Shameless (The Contemporary Collection Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Shameless (The Contemporary Collection Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Fesselnd bis zum SchlussVon ungenannte RezensentinJennifer Blake versteht es eine Geschichte spannend und fesselnd bis zum Schluss aufzubauen.Es ist ein Liebesroman, aber nicht vordringlich. Umweltschutz, die Sorge um die wirtschaftliche Entwicklung der Heimatstadt sowie das Trauma eines US - Armeeingehrigen sind logisch in diese

Geschichte eingebaut und auch die Charaktere sind gut dargestellt. Man kann sich wunderbar in die Personen und die Handlung hineinversetzen. Absolut empfehlenswert. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A great read! Von Ein Kunde This was the first Jennifer Blake book I ever read and I loved it! Its a great story of two people who grew up together but have led separate lives for quite some time. The story follows Camilla and Reid as they get to know each other again and try to do so ignoring what the town is saying and the fact that they might be on opposite sides of the battle to come! I definitely recommend this novel! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nicht so mein Fall... Von Kindle-Kunde NA-Romance mit HEA. Im Grunde eine gute Story, aber sie kam leider nicht so richtig an mich heran. Der Schreibstil der Autorin ist mir etwas zu "altbacken" und würde meiner Ansicht nach besser zu historischen Büchern passen. Die Beschreibungen der Umgebung war mir zu ausführlich und dafür das Zwischenmenschliche zu wenig. Letztendlich ist es Geschmackssache :)

Kurzbeschreibung Whispers, lurid gossip, rampant suspicion--Camilla and Reid give their small town neighbors something to talk about...It's been years since Camilla saw Reid Sayers, her accepted blood enemy in a local feud going back generations. She barely recognizes the warrior who returns to their small town, an ex-military, multi-decorated hero with pain in his eyes. But the battle between them has just begun. A takeover bid is pending for the local paper mill. Camilla swears to stop the sale, rallying the town behind her on environmental issues. Reid, as operating owner, is concerned for the workers. Added to the mix is Camilla's almost ex-husband who wants her back--mainly because he believes a loophole in the law may make her the beneficiary of millions from the buyout. But hate and love are close kin, and daytime combat between Reid and Camilla gives way to nighttime desire. That is, until Camilla's estranged husband turns up dead. As the town erupts with gossip about the convenience of his passing, she and Reid are faced with a choice. They can join forces to unmask the killer--or allow the murderer to drive them apart forever.

Synopsis Haunted by rumors about his mysterious CIA past, champion of local industry Reid Sayers finds romance with the sensuous Camilla Greenley, herself hounded by a fortune-hunting ex-husband and an environmental crusader.
