"years ago" and still love it
Von Mia Schoenfeld
I started reading it and loved it from chapter one. I still remember the wait for each single chapter and the giddiness. :3 i hope you will go far and look forward other fanfictions of yours. I just came back from a exchange term and travel and i really felt happy being able to read this story all over. :) and for all the other readers that don't like it and for that give it little stars: DON T LIKE IT? DONT READ IT. Cause it takes a lot to write a story of this size. and as long as you cant do it yourself or didn't do it yourself stop badmouthing it. You go girls :) i hope to see your stories in the bookshops one day.

Von JWI loved this story! I think I read it three or four times already, and the story doesn't become boring. The relationship of the protagonists builds up nicely and especially all the shenanigans going on in this book, make it a good read and worth your while....
Ich habe dieses Buch gerade zu verschlungen und es jetzt schon mehrere Male gelesen und es wird nie langweilig. Die Entwicklung der Beziehung zwischen den beiden Protagonisten ist besonders gut gelungen und die ganzen Machenschaften im Hintergrund machen die Story besonders lesenswert!
