Ungewöhnliche WerbungVon mockingbirdDie Elfe Kyra, Mitglied eines ausgestossenen Clans, der von Diebstahl lebt, entdeckt im Wald die zwei Barbarenkrieger Draevon und Taric. Beim Versuch die beiden Cousins zu bestehlen, wird Kyra geschnappt und zur Strafe einem Spanking unterzogen. Dabei erinnern sich die beiden, dass es bei ihnen zu

Hause eine Prophezeiung gibt, nach der die beiden Cousins eines Tages gemeinsam eine Elfe heiraten, die ihnen einen Sohn schenken wird, der einmal den schwarzen Zauberer besiegen wird. Doch Kyra gelingt es, zu flüchten. Die beiden Krieger, die ohnehin ausgezogen sind, um den Riesen zu erlegen und dafür vom Elfenkönig die als Belohnung ausgesetzte Hand einer Elfenfrau und einen riesigen Schatz erhalten wollen, beschließen, diesen Plan zunächst zu verfolgen und als versprochene Elfin Kyra einzufordern. Romantische Abenteuer/Phantasyhandlung mit BDSM-Elementen, sowie reichlich Breeding, Dreier, Analplay und Spanking. Das Buch war ziemlich lustig zu lesen, die Beziehung zwischen der naiven, aber sehr gewitzten Kyra und den beiden durchsetzungsfähigen Kriegern Draevon und Taric gut dargestellt.

Kurzbeschreibung Considered untouchable by her kin, Kyra has been an outcast all her life, but everything is changed forever when two massive, battle-hardened human warriors stride into her woods on a quest to kill a giant. After she is caught attempting to steal from them, Kyra is stripped naked and soundly spanked by the handsome brutes, then left bound to a tree as they calmly dispatch with a giant who has slain every previous adventurer. Yet that is only the beginning, for the reward for the death of the giant is not merely gold and jewels, but the hand of an elf-maiden in marriage, and Kyra is shocked to the core when she learns that the men have chosen her as their prize. Taric and Draeven neither understand nor concern themselves with Kyra's status as an outcast. What they see is the most beautiful of all the elves, a woman they have longed to claim as their own since they first set eyes on her. They have shared many women before, and now they will share the wife who will bear for them the half-elven son of giantslayers long foretold. Kyra, who had never expected to feel the pleasure of a man's gentle touch, now must submit to the fierce, insatiable needs of two hulking barbarians. Yet though she blushes with shame at the very thought, she wonders if a day will come soon when she will beg for more. Publishers Note: Shared Between Them is an erotic romance novel that includes spankings and sexual scenes. If such material offends you, please don't buy this book.
