KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Finaler Showdown mit Mutter LilithVon No510Unterhaltsam wie immer. Die Spannung ergibt sich aus der Frage, wie man eine so bermchtige Gegnerin stoppen kann. Nebenbei wird noch das Rtsel ber die Authorities gelst. Nice read, bin gespannt auf den nchsten Band.

KurzbeschreibungPrivate eye John Taylor is facing his most dangerous foe yet: his mother. She created the Nightside,

and now she intends to obliterate it. The Nightside is the dark heart of London - a dark, shady place, full of dark, shady characters, a corrupt place, where both dreams and nightmares come true, where anything can be bought for the right price, and where it is forever 3 a.m. But to private detective John Taylor the Nightside is home, and he won't allow his home to be destroyed - even if he has to defeat his own mother to save it. He is the only person able to stop her from exterminating the Nightside, a place that she created, but he fears that, whatever action he takes, the Nightside - and the rest of the world - will be doomed. Nothing is ever simple. Sharper than a Serpent's Tooth is the sixth title in Simon R. Green's New York Times bestselling Nightside series. Pressestimmen The Nightside is "a macabre and thoroughly entertaining world." Kurzbeschreibung Private eye John Taylor is facing his most dangerous foe yet: his mother.
