Von Marion Zimmer Bradley : Sharra's Exile (Darkover) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sharra's Exile (Darkover) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Excellent, but original edition better.Von Ein KundeAn outstanding expedition into the power of emotions and the internal struggles faced by Lew Alton in returning home to his native Darkover. The author has "tidied up" a number of time lines from the original publication. However, I found the original to be both more enjoyable and imaginative.

While the reader can understand the desire of Ms. Bradley to have her work reflect a more mature self, the naivete of Lew and Marjorie is exchanged for a less desirable physical lust. While both versions entertain, and are excellent presentations of the Darkover venue, the original holds a special place in my childhood memories. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The story of a woman haunted by her past ... Von Customer This book is about Margareth Alton, daughter of Lew Alton and Tyra. She has had the Alton gift since childhood, and grow up in Earth, far from Darkover, but haunted in nightmares by her past (this events are told in Sharra s Exile). Running away from these nightmares and memories she has gone to the University and became an musician studier, visiting many planets, searching for folk music. One day, she has received the mission to go back to Darkover to collect folk music with her mentor (Doctor Igor Davidson). The moment she arrived in the Bloody Sun planet, she started to change and discover new facts that would reorganize everything she has believed. She has to fight to learn to control these changes and her forgotten powers and finally face her past and heritage. In these path, she discovers who she really is and find love in a forbidden man...

Kurzbeschreibung Everyone thought the Sharra Rebellion, during which the out-of-control matrix burned down an entire city, was over. Lew Alton, who had lost his wife and his right hand in the struggle, had taken the Sharra matrix off-world when he left Darkover hoping that Terran medicine could regenerate his hand. With the matrix dormant, the problem appeared to be solved. But when the Comyn Council tried to give the Alton domain to the Hasturs, Lew was forced to return. The matrix came with him, and the survivors of the Rebellion could not fail to notice its presence as it sought once again to draw them to the service of the fire goddess Sharra. Kurzbeschreibung Everyone thought the Sharra Rebellion, during which the out-of-control matrix burned down an entire city, was over. Lew Alton, who had lost his wife and his right hand in the struggle, had taken the Sharra matrix off-world when he left Darkover hoping that Terran medicine could regenerate his hand. With the matrix dormant, the problem appeared to be solved. But when the Comyn Council tried to give the Alton domain to the Hasturs, Lew was forced to return. The matrix came with him, and the survivors of the Rebellion could not fail to notice its presence as it sought once again to draw them to the service of the fire goddess Sharra. Synopsis After the Age of Chaos had almost destroyed civilization on the planet of the Bloody Sun, even the Sharra had been exiled, but now the Sharra had returned, embodied in the image of a chained woman wreathed in flames, an image which could change the history of Darkover forever. From the author of CASTLE TERROR
