**Von H.H. Fowler : Shattered Dreams (Behind Closed Doors Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Shattered Dreams (Behind Closed Doors Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. interesting story lineVon Paul RoarkkAuthor Fowler is beast at drawing you in and making you a willing participant in this adventure. Poison Candy is already available for purchase. Trust me, you will want to get them both. light- hearted

read with interesting story line. I read it because my teen daughter read it. Story line and sarcastic tone makes it very appealing to American culture Christian teens. The Christian message is obvious but not cheesy...or complete, in my opinion. The idea that trusting Christ as your Savior will take away all your problems is implied in the main character's encounter with a youth pastor. Still, it gave me the opportunity to remind my daughter that while salvation in Jesus Christ IS the only way to heaven and gives us peace in this life, it does NOT guarantee a life free from trouble or pain. Luke 19:10-19. However, the applied principles of the faith do help one to avoid unnecessary self-created trouble. That said, it was a nice summer break read that isn't nearly as intense as the literature requirements of the school year. The character was very well written and you could just picture the antics that she did. You will love this book for its raw creativity and fast paced scenes and as with his other books you will take an introspective look at your own life choices. The best part of purchasing this book is that book

Kurzbeschreibung You have heard the saying, If these walls could talk, what would they reveal? Gregory Beaufort, a prominent bishop who was sent to the affluent island of Bliss Haven twenty years ago, knows firsthand what it is like to live behind the walls of a dangerous secret - while simultaneously fighting to keep it from being unveiled to his family. But when his youngest daughter, nineteen-year-old Asia Beaufort falls passionately in love with a boy from an impoverished background, their connection ignites a chain of events that force Gregory to face his ungodly past. Is it worth holding on to a secret that could wipe out his marriage and the family he so dearly loves? Shattered Dreams is the first book in the Behind Closed Doors series and it is riddled with thought-provoking situations. Come meet a new slate of characters who will take you on a daring adventure.
