**Von Alice Sharpe : Shattered (Mills Boon Intrigue) (The Rescuers, Book 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Shattered (Mills Boon Intrigue) (The Rescuers, Book 1):

novel and I loved the witty banters between Nate and Sarah! While Nate and Sarah have their own "struggles" (Nate discovers his murdered friend and Sarah pointing a rifle at him), there's another plot with more than one twists going on... I'm not going to spoiler you, but the ending surprised me and turned out completely different than I expected! It is not a fluffy romance book; especially Sarah has a difficult past, which overshadowed her life, but with the help of Nate she pulled through. If you are looking for a healthy mix of romance, heartache and mystery - this is your book ;)

Kurzbeschreibung ALL HE'D WANTED WAS A REUNION WITH A FRIEND. WHAT HE GOT WAS A NATIONWIDE CONSPIRACY AND A JOB PROTECTING ONE GORGEOUS STRANGER. Deputy sheriff Nate Matthews doesn't know what to think when he arrives in Nevada and discovers his friend murdered. He is sure about the beautiful woman pointing a rifle at him. Sarah Donovan is a liar, she may have murdered her father and she stirs something inside him he can't possibly explain. But before they can solve one murder, Nate and Sarah find themselves dodging bullets. Being on the run brings new emotions into focus. After a night of passion in a snowbound cabin, they start closing in on the truth someone means to strike terror in America's heart. Kurzbeschreibung ALL HE'D WANTED WAS A REUNION WITH A FRIEND. Circulation was dismal. After school, I married the love of my life. We spent years juggling children and pets while living on sailboats. All the while, I read like a crazy woman (devoured Agatha Christie) and wrote stories of my own, eventually selling to magazines and then book publishers. Now, 45 novels later, I'm concentrating on romantic suspense where my true interest lies.
