"seine" Band, sein Mitgründungsmitglied Simon ist gerade dabei ihnen allein ein Grab zu schaufeln. Und Dragon Lady riskiert viel, wenn sie sich mit dem Leadgitarristen einstellt- es ist beeindruckend wieviel in einer Zeitspanne schiefgehen kann... und dann, wenn der Karren so richtig im Dreck sitzt, bricht das Buch ab. Psychoterror? Nügel sind abgekaut bis die Auflösung kommt...0 von 0 Kunden fanden die folgende Rezension hilfreich. I hate cliffhangers Von Lotta Books This book would be a four- or five star. But, God, how I hate cliffhangers. Just write ONE goddamn book, please, and publish it. ONE story. ONE couple. ONE happy end. I'll gladly pay more for it. But stopping mid-story is just cruel.

Kurzbeschreibung Book 4 in the rockstar series, Lost in Oblivion. He's shattered and she's the only woman who can help him pick up the pieces. Lead guitarist Nick Crandall has everything he ever thought he wanted. But all his success doesn't keep his dream from shattering, right before his eyes. Until the person he least expects pulls him back from the brink. Lila Shawcross is obsessed with her work, which includes managing the drama-prone members of Oblivion. She's definitely not about to let a hot-headed, hard-bodied guitarist wreck her orderly existence or dilute her focus. So what if she's never craved a man quite this much? There are just too many complications, including the gold band on her left hand. Except Nick is determined to possess her and what Nick wants, Nick gets. Because this time, he's not walking away. \*\*This book has a cliffhanger.\*\*
