**Von Tammy L Gray : Shattered Rose (Winsor Series Book 1) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Shattered Rose (Winsor Series Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. I LOVED IT Von Al-Khemet Book Club Shattered Rose by Tammy L Gray is a young adult novel worth the read. If you

have been spending too much time on cheesy romance then grab a hold of this book. Avery Nichols isn't your average character, she's the very nice girl on the surface but inside she is at war, constant war with her demons and the biggest is a desperate struggle to love herself unconditionally. Then she meets a handsome young man, Jake Matthews, sweet guy, charming and Prince like, his character so carefully cultivated and defined he makes you fall in love with him instantly. Avery fell hard but how can you love someone else without first loving your own self? How can you give yourself away without caring deeply about yourself first? Tammy L Gray is a masterful writer and she weaves her players in this novel so delicately, so detailed. She takes real situations, and mixes them with her raw emotions and makes them so three-dimensional it just blows you away. No spoilers; read this book. If you have ever struggled with these demons, if you have ever struggled or struggling to develop a healthy love for yourself, then you need to check out this book, it's well written, fun, deeply moving, emotional and very inspiring. I praise the author for being different and writing something different that's meant to move readers in an inexplicable way.
