First in the Sacred Hearts seriesVon MagritteI discovered this series and LOVED it.I have to admit that I like MC Club stories and i reall like Alpha bikers.Ethan "Trigger" finds a beaten up woman walking along the side of the road in the middle of the night. It's cold and leaving her here would mean her death.Ashton has to be the perfect wife to her husband or

she will suffer a correction. And now she is walking along the street because she has not met his expectations...Ashton is a wonderful woman, sweet and beautiful and she become everything for Trigger. Their love story is so beautiful, so strong, so sweet.I really loved this book and immediatly bought the next and am on the last page of it already!The story is very well writing. The intimate moments between the two are hot and I really enjoyed that there were no annoying misunderstandings or things untold to take the story further.I hope you'll enjoy the read.MBTM

KurzbeschreibungShe's Shattered...Ashton Granger is a perfect wife to her husband. She has to be, if she's not, he will find a way to correct any perceived imperfections. Such is life, and so it has been for a very long time, eroding Ashton's sense of self, cracking her sense of worth until she lays in a million pieces on the side of a stretch of lonely highway. He's Scarred...Ethan "Trigger man" Howard is the Sergeant of Arms for The Sacred Hearts Motorcycle club. After several tours as a Marine Corps sniper overseas, he's seen and done enough damage for a man three times his age. He's out. Done. So over it, and home to nurse his wounds, physical, emotional and psychological with the help of his MC brothers. Now he simply deals with the scars that life handed him. Was it more than just luck for he and Ashton both that he was the only other soul traveling that isolated stretch of highway that night?\*\*\*Mature Audiences Only (18+)\*\*\*\*Language, Violence, and Sexual Content including one very hot MFM
