Von Lynda Bailey : Shattered Trust (Trustworthy Texas Trilogy Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Shattered Trust (Trustworthy Texas Trilogy Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 4 Shattered StarsVon NinaSHATTERED TRUST is a beautiful BDSM themed romance with two characters that I grew

fond of very quickly. Its a nice and refreshing touch that both characters are not in their twenties anymore Kate, the heroine, is forty-two and Liam, the hero, is in the beginning of his thirties. A long time ago Kate Landry, daughter of an overzealous minister, gave her heart and body to the wrong man. He took advantage of her, used her insecurities against her, abused her and left her shattered, broken and alone when she became pregnant. More than twenty years later she has a wonderful grown-up daughter and runs a successful bar in a small town, but she is closed off, unable to date any man or to forget her past and vehemently against the slightest changes in her life. When she comes back from a holiday she took not so voluntarily and finds a new employee behind her bar, she sees her stagnated everyday life in danger and promptly fires him. Only to bring him back shortly after, after to do exactly what she fears: To break through her tough walls and set the hedonistic woman hiding deep inside free. Liam St. James is a sexy dominant who is dealing with demons of his own. He is just passing through town, looking for a temporary job that brings him money to get his truck fixed. He has no intention in staying in this little town longer than necessary. Getting fired from his job at the bar isnt actually helping keeping his stay as short as possible. When Kate not only gives him his job back but also proposes something entirely different to use his dominant streak to heal her he is reluctant, because helping her fight her fears means for him facing his own as well. But finally, he agrees to her plan. Its only helping Kate, no less, but nothing more either and its all temporary anyway, isnt it? These characters go deep, especially Kates. She has a dark past which she finally wants to put behind her with Liams help. Despite her backstory, shes bent, but she never broke she is strong, but she needs someone to show her that she is. Liam doesnt want to settle down. His heart was broken once, and he strives for never letting that happen again thus his life of a vagabond. Yet he cannot withstand to help Kate. He seems to understand Kates struggles, and knows how to push her beyond her comfort zone without ever forcing her to do anything she doesnt want: One word from her or one wrong answer to the most essential question he repeats frequently and their arrangement would end. Both of them have a huge trust issue, both are afraid to love, believing they are unworthy of being loved back. This is the story of two damaged personalities who are about to realize that together they can be whole again. Their romance is not rushed, it develops slowly in a believable timeframe. They have an incredible chemistry and share a lot of hot scenes. If you love a good BDSM romance and are not offended by multiple partners which fits in so well with the story it really surprised me this is your book! A sexy and kinky romance without the loss of an actual storyline and backstory.

Kurzbeschreibung Learning to love is the easy part As a young woman, Kate Landry trusted the wrong man, and she paid dearly for her naivet. Alone, pregnant and destitute, she survived by the sheer force of her will. Now forty-two, Kate has made a good living for herself and her daughter as the owner of the Bluebird Saloon. But shes forgotten how to live. That is until he comes into her bar Liam St. James loved a girl once. And only once. After an accident paralyzed her, she didnt trust he would continue to love her. Brokenhearted, Liam left and soon discovered a world where women did trust him to be their sexual Dominant. He plays out the scenes masterfully, but the unexpected request from the stoic bar owner will pose his greatest challenge yet Kate and Liam embark on a journey to uncover repressed urges and, in the process, they discover new desires. They also fall in love with one another. But when youve been shattered as badly as they have by mistrust, deceit and abuse, loving is easy. Trusting is harder, if not impossible, especially when the heart is involved Shattered Trust is a BDSM romance. It contains explicit language and graphic love scenes, including bondage, domination, spanking, whipping and multiple partners. It is intended for mature readers only.
