SHE CAN SCREAM is not badVon Brad BeckerIf you like derring-do, they all die horribly but not really, just almost, SHE CAN SCREAM is for you. I was sometimes confused but that was just me. 350-some pages, long enough to look forward to going back to. The racy scenes will probably satisfy both sexes and are just explicit enough. The Kindle version is worth much more than what it costs.0 von 0 Kunden fanden die folgende Rezension hilfreich. ScreamVon

Nice Holiday reading. It is well written but predictable. (Except for the killer, of course) . As said easy to read and that's it

Good mix of romance and thriller! a little predictable , but a good light read, one to keep you amused on the plane!
