Von Scarlett Savage : She Effin' Hates Me: A Love Story before purchasing it in order to gage whether or not it would be worth my time, and all praised She Effin' Hates Me: A Love Story:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Where is it written that you stop falling in love past the menopause?Von ReggieSo many movies are about twenty-somethings or thirty-somethings falling in love. Where is it written that you stop falling in love past the menopause? In Scarlett Savage's sweet story, we learned that you can still get shivers into your sixties and seventies, and that it's every bit as exciting as it is when you're a teenager. But just as you can fall in love, you can get your heart broken; watching

Buddy and Ava decide that it's worth the risk and plunging off the cliff to see where they land kept me up turning pages all night long!! Equally as touching is Suzanne's relationship with her daughter; priding herself on her activist standpoints but being floored by the fact that her own daughter is gay, Suzanne now has to judge herself as she's judged other moms in the past by asking herself why she didn't know...until she realizes that maybe some things your kids need you to wait for them to come to YOU. I recall that the theatrical reviews referred to this as "the 'On Golden Pond' of the new millennium", I find that description more and more accurate as I peruse the book a second time. There are many different kinds of love in a family--and there's always plenty to go around.

Kurzbeschreibung Molly has arrived home from Vassar to reveal that she has an important announcement to make. Her mother, Suzanne, is convinced that Molly's news is history repeating herself and that she's about to become a thirty-six-year-old grandmother. Suzanne's mother, Ava, develops a case of impending great-grandmother fever that is, when she's not spying on the new next-door neighbor, Buddy McKinley, who turns out to be a blast from her past. Decades earlier, Buddy was the business partner of Ava's late husband, as well as his best friend during the Vietnam War. Ava feels she has good reasons for hating Buddy; she blames him for the fall of their business, an Irish pub that was a staple of the community. The loss not only destroyed her husband but also pushed her headfirst into the vodka bottle. Suzanne eventually finds out that Buddy and Ava's past goes back much further than either has admitted. She begins to wonder whether Ava truly hates Buddy, or whether her feelings are much more complicated, as are her own when Molly announces that she's not pregnant, but gay. Based on the award-winning play, *She Effin' Hates Me* is about three women relearning to love one another for who they are and more importantly, for who they're not. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction: novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
