Kurzbeschreibung*WARNING Mature content intended for adults only. You are asking my permission to let you be a round heeled tramp? Just Plain Bob has always been known for his erotic stories featuring characters that share totally taboo secrets. In this mega collection of sex stories, you'll find seven forbidden fantasies and secret attraction of taboo relationships. Approximately 40,000 words featuring the kind of forbidden pleasures that you love so much, including office erotica, wife sharing and cheating, revenge erotica, and much, much more!!! Aimee His brother is getting married. Great. The fiance is a perfect female specimen. Even better. But Aimee looked familiar too familiar. He's seen her somewhere else before and a timely sighting of a tattoo when she happened to bend over in front of him made him sure of it. His brother doesn't know who he's marrying. Can he keep this secret from his brother and keep Aimee from knowing what he knows? And what lengths will Aimee go if ever the secrets of her old life threaten to come out? Alice At The Office It's not easy to get a job and especially one that pays well so when Alice finally found something with a decent salary, a decent boss and decent hours, she jumped at the chance. Even if there was a catch. It was harmless at first. She even started to like it until one night--- walking in on her boss in his office changed everything. When Alice finds herself unable to forget what she saw that night, would she be able to overlook this or will it be too much for her and make her quit. Or maybe just maybe she only needs a little encouragement to join in on the fun. Curious Lorrie Over twenty years of being married together, John and Lorrie had a great life and as their children had all gone to live their lives, Lorrie wanted something to occupy herself. Soon she had herself a job and everything that went with it, coworkers and late nights at the office. But something's not right, Lorrie has been too busy with her work and too excited with stories of her coworkers romps with other men and John is getting suspicious. One night he follows Lorrie to her usual hangout with her coworkers and what he saw there made him realize just how curious his wife could get. Carla's Revenge Having his wife cheating on him is bad, having his wife cheat on him with his best friend is worse. Revenge seems like the next step in the cliché but what he didn't expect is what exactly the revenge will be and who's cooking up the plan to take the two cheaters down. Maybe his wife and best friend is doing him the biggest favor after all. This collection also includes: Alisha Belinda Screws Up Alana Asserts
