Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice but

short Von Sunne Nette Novelle - leider nur 1219 locations. Dementsprechend kann von der Handlung nicht so viel erwartet werden. Allerdings liest sich die Geschichte schnell und flüssig, die Dialoge und inneren Dialoge sind ansant. Schmunzeln nicht ausgeschlossen. Sehr hbsch gemacht ist, dass Chris durchaus ein "Macher" ist. Ich hatte allerdings aufgrund der Beschreibung erwartet, dass er tatsächlich entdeckt, dass "drag" fr ihn reizvoll sein kann - dies ist nicht der Fall. Also - nett fr zwischendurch und so ansant, dass ich sicher weitere Bcher der Autorin lesen werde.

Kurzbeschreibung A Handcuffs and Lace Tale What do you do with a 'wife' who is more than you can handle? When the FBI and local law enforcement team up for a mutually beneficial crime-stopping partnership, Rookie Agent Chris Tarpington and Detective Vin Pilk team up to prototype the new alliance. How better to bust a ring of drug dealing suburban house wives than to go undercover-way undercover, as a married couple? Though Chris reluctantly gets in touch with his feminine side, he quickly finds ways of making his sexy partner squirm. And Vin is definitely squirming, but will he run away from his faux wife, or right into 'her' arms? One thing is for sure: as the investigation heats up, 'inter-agency cooperation' will take on a whole new meaning...
