Von Whitney Dineen : She Sins at Midnight (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised She Sins at Midnight (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gute Unterhaltung, macht richtig SpaVon AnkohIch habe das Buch in einem Rutsch durchgelesen und habe jetzt fast Bauweh vor lachen. Die Geschichte hat richtig Spa gemacht, war mal was Neues.Anfangs hat es mich etwas gestrt, dass das Buch so viele verschiedene POVs hat, dazu noch die Verschrnkung mit Lilas heimlich geschriebenen Roman, aber zum Schlu wurde alles berzeugend zusammengefhr und es ergab Sinn.Vielen Dank fr das Lesevergnen.

Ich werde mit Sicherheit noch mehr von der Autorin lesen.0 von 0 Kunden fanden die folgende Rezension hilfreich.
HerzerfrischendVon deialEin wunderschönes Buch mit viel Komik und auch leichter Erotik. Viele Verwicklungen im Leben von Lila Montgomery! Lesen lohnt sich!

KurzbeschreibungLila Montgomery, thirty-two-year-old Hollywood assistant extraordinaire, has a secret. On the outside, shes a hard-working dedicated employee, a good friend, and a loving daughter. But above all else, shes been raised to be a lady, which of course is why shes determined to conceal her secret life. If her straight-laced friends and family back home ever discover that she is really the smashing new author of a steamy romance novel, their disapproval would shame her forever! Thats why Lila has chosen to publish her sexy narrative under the nom de plume, Jasmine Sheath. With her fifteenth high school class reunion on the horizon, Lila finds herself at a crossroads. More than anything she wants to go home and see her childhood friends but is embarrassed that she hasnt accomplished the things she feels she should have by this time in her life; mainly marriage and children. After another brutal run-in with Melinda Forrester, Oscar nominated actress and client of her boss, Josh Furber, Lila decides that fleeing Hollywood for a month is the best thing for her. Lila packs her bags for her childhood home of Bentley Hills, sure that her friends and family will be the touchstone of normalcy that she so desperately needs. What she doesn't expect is that Melinda will follow her and a tabloid media circus will ensue!Not only does Lila discover that her home is nothing like she remembers, but she meets and falls in love with the very man that inspired the hero in her novel. She Sins at Midnight is full of laugh out loud hijinks that will make you never look at Hollywood the same way again!Author, Whitney Dineen, swears that this novel is based purely on fiction and that any characters bearing any resemblance to any celebrities you know are completely and totally fictitious; even though she spent eighteen years in La La Land, with a celebrity client base for her real job

den Autor und weitere MitwirkendeWhile attending the University of Illinois in Chicago, Whitney Dineen was discovered by a local modeling agent and began an unexpected career as a plus-size Ford model. She modeled in New York City before moving to Los Angeles with her husband. When she wasnt modeling, she was in the kitchen, baking delights to share with friends. Soon, her friends began asking her to send baskets of her wonderful candies and cookies to business associates, agents and production studios. Word spread like wildfire, and the rest, as they say, is history. Whitneys sensational creations are still in great demand by her loyal celebrity clientele (www.WhitneysGoodies.com). During The Hollywood Years, Whitney was bitten by the writing bug and started creating characters that are inspired by strong women with a great sense of humor. In addition to her love of chick-lit, Whitney has also written a series of adventure books for girls. The first of which, *Wilhelmina and the Willamette Wig Factory*, will be out the summer of 2014. Whitney and her husband, Jimmy, have recently relocated to the beautiful Pacific Northwest to raise their children, chickens and organic vegetables.
