Supertolles Buch Von Martina Zehnter Dieses ist eines der besten Bücher die ich je gelesen habe und somit hatte ich es in 2 Tagen durch, den ich habe jede freie Minute gelesen, manchmal 4 Stunden am Stück. Es ist eine schöne Romanze mit witzigen Dialogen zwischen den zwei Protagonisten. Ausserdem ist es sehr leicht zu lesen und leicht verständlich. Kann ich echt nur empfehlen, dachte nämlich nicht das es so super ist!!!! 16 von 17 Kunden fanden die folgende Rezension hilfreich. Wonderful witty rollercoaster ride! Von Ein Kunde This was my first book by Ms. Cabot and let me tell you, I couldn't put it down! The wonderful dialogues held several laugh-out-loud moments for me and the story was both charming and funny. Louise Calabrese, Lou for short, screenwriter extraordinaire and prickly little broad gets caught between the lines when some unknown people attempt to end gorgeous Hollywood hunk Jack Townsend's life during a helicopter ride in Alaska. They survive the crash and have to hide in the wilderness for two days. Jack, who doesn't like Lou because he thinks she purposely makes him drop his pants and show his 15-million-dollar ass in every screenplay she pens for him, and Lou, who doesn't like Jack because she thinks he's a commitment-shy no-brain of an actor who keeps various dim-witted starlets for his pleasure, are in for some adventure and of course the sparks fly high. I loved it! 8 von 9 Kunden fanden die folgende Rezension hilfreich. Spannend und spritzig! Von Kunde- das Cover ist furchtbar und absolut irreführend! Passt wirklich überhaupt nicht zur Story! Das gehört nun mal auch zu einem guten Buch dazu. Wer nur auf das Cover guckt, errahnt im Leben nicht worum es in dem Buch wirklich geht- das Ende ist meiner Meinung nach etwas abrupt+ witzige, funkensprühende Dialoge+ Spannung pur bis zum Ende+ charismatische Haupt- und Nebendarsteller, die man sofort ins Herz schliet, besonders Jacks Mutter und Lou's Vater sind wirklich gut beschrieben und gefallen gerade deshalb weil sie - genau wie Lou und Jack - so gegensätzlich sind+ jede Menge knisternde Erotik Fazit: eine unterhaltsame Lektüre, die man so schnell nicht mehr aus der Hand legen kann.

Kurzbeschreibung There are a few places screenwriter Lou Calabrese would rather be than crammed into a helicopter with Jack Townsend, star of her claim to fame, Copkiller, and whose ex just ran off with Lou's ex. Talk about uncomfortable. But when, halfway out to the isolated arctic location where Copkiller IV is currently shooting, their pilot turns murderous and their helicopter crashes, Lou realizes her day has just gotten a lot worse. Now, while family and friends back home fret over her disappearance, Lou is on the run in the arctic wilderness with America's sweetheart Jack Townsend and only the contents of her purse, his pockets, and their mutual knowledge of survival movie trivia to keep them alive. Can these two children of Hollywood put aside their differences and make it back home without killing each other? Or much, much worse, actually start to like one another?
