Yummy!Von LorraineI thoroughly enjoyed reading this book. There was excitement, danger, lust and love. It kept me on the edge of my seat for most of the book. I enjoyed how Zara was a powerful woman and not a bubble-headed heroin. She was strong in her convictions and did not sway in her loyalties to her people. Sheik Jamal was a brave

fighter with a sensitive side that just made me want to be able to reach out and console him during the more stressful moments in the book. Oh, who am I kidding! I wanted to reach out and touch him throughout the entire book. I found the sex scenes to be very erotic but not overdone. I have never read a Connie Mason book before but I will be looking for her other books. I enjoyed the follow-through and cohesiveness of her story telling. I also enjoyed the historical information provided in the book not to mention the nice glossary of terms in the back. I would recommend this book to anyone who enjoys a good love story. 0 von 0 Kunden fanden die folgende Rezension hilfreich. solide Love-Story mit etwas Abenteuer Von Familienmanagerin so würde ich das zumindest sehen ;-) Der Sheik, die männliche Hauptfigur ist ein Mann zweier Welten. Prinzessin Zara ist seine persönliche Herausforderung, an der er auch im Wesen reift. Die Verbindung mit ihr bedeutet den Bruch mit seiner Welt und den Aufbruch in ein neues Leben - für ihn recht sanft, denn er ist ja sowieso schon ein Mann zweier Welten. Zara hingegen tut sich schwer damit, ist sie doch noch nie von ihrem Vater und der Heimat entfernt gewesen und der Empfang in der neuen Heimat ist nicht so freundlich wie eigentlich erhofft. Schade finde ich, da der Anfang der Geschichte in Details und Stil sehr schön ist, der Schluss jedoch eher schnell und zielgerichtet ist. Hier könnten durchaus ein paar mehr Details, um die Wendungen plastischer zu machen, gut tun. Trotzdem 4 Sterne, da es wirklich solide gemacht ist, und auch Lesespaß bringt. Ich habe es in einer kostenlosen Aktion geshopppt und es gerne gelesen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The Best Book Ever! 1 Von Ein Kunde This was the first book I ever read of Connie Mason's, and boy, did it take my breath away. I started Sheik in the morning and by the end of the day I had finished it. I couldn't put it down. I am now one of Connie Mason avid readers and will continue to be, that is, if Connie still continues to write masterpieces, which I am sure she will.

Kurzbeschreibung Princess Zara had been raised a warrior, always at her father's side in battle against the Arabs who had stolen their land. So when she's taken prisoner by Sheik Jamal abd Thabit during a raid, she was determined not to succumb to his wishes--a more difficult task than she would have ever believed. Torn between duty to her people and the temptations of her Arab master, Zara wondered if she dared risk all she had ever known and trust her heart to this enemy Sheik.
