I can't describe him, he is handsome and so noble and also very strong and determined. But Lana, the heroine, is a strong woman, too, and she is more than a match for him, once she realizes what she wants. It is a very emotional and touching story but also romantic and sensuous.0 von 0 Kunden fanden die folgende Rezension hilfreich. Arabian MagicVon Ein KundeWhat a sensual world of romance Alexandra Sellers has created. I couldn't put the book down.

KurzbeschreibungOne night of electrifying, primitive lovemaking with Sheikh Arash Khosravi and Lana Holding had never let another man touch her. Separated by circumstance, she despaired of seeing him again. But their reunion proved bittersweet. For pride and pain had made her strong sheikh ruthless and as cold as the blizzard they were stranded in....Arash had risked his fortune to save his beloved country. And so he could promise gentle Lana no future. But solitude with the breathtaking beauty was too tempting for his noble resistance. Surrendering to the woman who was his torment, his delight, he vowed to have her forever.
